A Pony Legend

Lois K. Szymanski

A Pony Legend Lois K. Szymanski

There is something "very" different about Meg's pony, Azure. It seems as though he can read Meg's mind and feel her emotions.

Could the beautiful white, blue-eyed foal be the son of the legendary great white stallion who lives high on the mountaintop? If he is, it may explain the magic that has come to the valley since the horse was born. . . .

Sue says

I enjoyed this magical story. The legendary white stallion appears high on the mountain top. What does it mean when he appears? Read this enchanting story to find out.
