Devil Chaser's MC, #3

1. To set (something) on fire: to cause (something) to burn
2. To give life or energy to (someone or something)
- b. To cause the sudden occurrence of (something)

Lily-

Lily's quiet life was upturned the day she found out her sister was dead. Now, she only has one thing on her mind- to keep her sister's baby safe... at all cost.

A new life, a new job... a new world await Lily in Paris, TN. She's determined to make it work. Not even the sexy mountain of a man, Goliath, is going to stand in her way. She had no idea why her presence has him so riled, but she really doesn't care what he thinks. She's there for one reason, and one reason only-to protect her nephew. A brooding biker is the last thing on her mind.

Goliath-

As Vice President of the Devil Chaser's MC, Goliath's main focus is his club. He's worked hard to help make it legal and successful, and it's finally paying off. He's committed to the Devil Chaser's, and his brothers know he'll do anything for them.

Goliath had no clue what he was getting into the day he matched wits with the sassy spitfire Bishop had hired to run the bar. All he knew what he was instantly captivated by her. He had an overwhelming need to protect her from anything or anyone that might cause her harm, including his brothers.

Sometimes fate intervenes when we least expect it, and forces collide so fast and so hard, they can't help but Ignite.

*** Warning- Ignite is book three of the Devil Chaser's MC Romance series. It is a standalone romance and can be read without reading the other books in the series. This book is intended for readers 18 years old or older due to the explicit language, sexual situations, and violence that may be upsetting to some readers.

I love all 3 books but I think this one was my favorite...now I can't wait until I read what is going to happen in Bobby's story...

[While the club whores still exist and two of them hit on Goliath, he politely and firmly refuses them. Said he did not go for those types and I believed him. He really did seem like a good guy. & I

I really liked Goliath and his tender, loving ways towards Lily and her baby nephew. It's instant attraction upon meeting and Goliath moves quickly to start acting all alpha possessive with Lily. I usually don't like the insta-love romances but this one worked for me. They didn't immediately fall into bed and Goliath really worked on giving Lily time to adjust to the relationship. If left up to her, the sex would have happened much sooner. What really endeared Goliath to me was his easy, tender, loving relations with Lily's nephew. He was everything you want to see in a big alpha hot hunk of man with a tender, sensitive side. Lily's on the run with her nephew after her sister's death. There are some weaknesses in the plot and it seemed like the book ended abruptly but I really enjoyed reading Goliath and Lily's story.

5 Fantastic Stars!!!!

Loved, loved Goliath and Lily. Although at the start of their story I wasn't quite feeling them, idk I guess her bantering "sassiness" was a bit OTT for me but then fairly quickly it turned around and they quickly sucked me in completely lol!!!!

I loved that this was a fast paced story filled with lots of suspenseful moments and yes the HOT times were just that between those two!!!!

Loved the book and as always can't wait to continue with the series!

Excited

I really loved this book. I didn't even know this book was out until L Wilder told me. I was excited to see it. I read it real fast. they are a great couple. I loved that he was so mean to her in the beginning. It made me laugh because we all know that if a biker is mad and mean then of course they end up with the girl. well hello hot biker with innocent, lost, scared girl.... that makes for a good read. I love that it was not over done with sex scenes. there was a story. what I do hate is how the dang book just ended. Gosh dang it. I need more. I love this series. Yes!! give me more.

It was an okay read. Too rushed in my opinion.. and the fact that these bikers are dipping their wankers with no protection and no one makes a peep about diseases and not just pregnancies is getting a bit unhealthy... What happened to no glove no love?

I just finished this book and loved it. I've read all 3 in this series, and it's a toss up between Goliath and Bishop. One thing I really like about L. Wilder's series is that the guys are always true to their girls. Once they fall that's it. Goliath was great. He wasn't afraid to show how he felt. This series to me is on the lighter side of the MC spectrum which is a nice change up. I look forward to more from this author. This book had romance, a little drama, a little suspense, and great sex so what more can you ask for?

4.5 stars

Goliath was such a SWEETIE, I absolutely ADORED him...

Now I'm just curious as to whose story is next...

B.E.Love says

3 1/2 stars, I needed something sweet after the last book I read and this one hit the spot. Lily got the shock of her life when her mom knocked on her door to tell her her sister died, and that the father of her nephew John Warren who everyone knew hurt her sister was going to take the baby. With her mom's help Lily left and moved to her cousin Tessa's(the heroine from book one) town. Being offered the bar tending job at the MC Lily accepts knowing she need the money now more than ever. On her first day Lily meets Goliath. The second he see's Lily Goliath wants her but he doesn't want her working anywhere near the club and all the members, trying to get his way Goliath makes a huge impression on Lily, and it's bad.

Even though Goliath is the most attractive man Lily has ever seen he's a jerk but working at the club Lily see's him a lot and soon the attraction is too much for either to deny. As Lily gets the hang of raising her nephew she and Goliath begin to fall in love, and they both think that they may have found their future in each other but a new club is trying to move in the MC's territory and they plan to take over. When tragedy strikes Lily's nephew's father comes with a very different story than Lily was told and it may end with John Warren leaving with his father for good.

This is a sweet light MC book with insta-love, by a possessive biker. I really liked Goliath and Lily, this story had a lot to it but at its core it was a sweet simple romance between a man and woman who are falling in love and learning to raise the little boy. It all gets wrapped up nicely and we are given great glimpse into the next book. I do wish the situation with John Warren's biological father, Lily's father, and her mother had been explained more, and that more time had been taken to delve into those story lines. Some things in this story were rushed a little too much as well as tied up a little too easily without enough explanation. But overall this was a really nice sweet MC read.

I thoroughly THOROUGHLY enjoyed reading Ignite!!

Sexy badass biker ~ check
Feisty Redhead bartender ~ check
A gorgeous baby to melt even the toughest of hearts ~ check check check

Ignite ticked all the right boxes for me, nothing like a good romance to get the emotions running. Goliath and

Lily's story is the best so far in the series, I was able to stay focused on the story from beginning to end which I wasn't able to do with book 1 or 2. I loved how Goliath gets totally possessive over Lily with her outfits and decides to go all caveman on her arse whenever he gets a chance and then he meets little man John Warren and big bad tatted Goliath becomes the gentlest of giants and gets sunk like a boat. I guess a hot badass biker and a baby really does make you go awww and make you melt... mix that with steamy hot sex and some awesome Christmas magic and you have a winner!!

Can't wait for Bobby and Courtney's story!!

I just finished Ignite and I really liked it. This is apart of the Devils Chaser MC series so to get a better idea of all the characters it must all be read. This is about Goliath the VP and Lily. Lily has come to town with her dead sisters baby because she has been told that the babies daddy is bad news. She is trying to keep him safe but doesn't expect to fall for the big bad VP. They are both stubborn but can't help that instant attraction. What will happen when The babies daddy shows up? Just read and see.

The story for me has gotten better. If you have read my reviews for the other books then you know I was having a hard time hearing their voices. Yep. It's looking up. Im finally feeling these characters. This one was a good storyline. I like the mystery aspect to it with JW's daddy and also the mysterious Black Diamonds MC that are setting up shop. It's definitely keeping me on my toes and now I have to find out what the hell is going to happen!!

Story 4.5

Sex 4

Overall 4.5

Emily says

Lily didn't have any notice before she was told her sister was dead and she needed to run with her late sisters son. Her mom set everything up and had Lily fleeing to Paris, Tennessee and working at a bartender at Devil Chaser's MC bar. There Lily meets Goliath in a less than flattering way, immediately they but heads but for different reasons.

Lily thinks Goliath is an overbearing oaf, while Goliath sees something in Lily and doesn't want anyone else getting close. Goliath inserts himself into Lily's and JW's life and while Lily initially puts up a fight about all he is doing, she finds herself getting close to the sweet side of Goliath. Trouble looms though as another MC is making their way in town and what Lily was running from finds it's way to her.

This was a great read but I still had questions at the end, especially about Lily's mother. This couple was perfect for one another and Goliath was an unexpected surprise. Will be picking up the other books in the series for sure.
