Jar of Hearts Molly Bryant

Although Jar of Hearts is the sequel to Glow, it can be read as a stand alone.

My life is better off when I am alone. That way I can't ruin anyone's life but my own.

Well, that is what Maria Anderson believes anyway, especially after what happened two years ago. She is a player- dates wealthy handsome men, comes and goes as she pleases without a worry in the world, and sleeps around. To Maria, she is just one of the guys.

When her Manhattan apartment floods due to the neighbor's beastly dog above her, it leaves her no choice but to stay with her best friend, Vanessa Montello which so happens to also be her boss at Glow magazine and Vanessa's fiancé Ben until she can find another apartment.

Little does Maria know that staying with Vanessa and Ben rips the frayed Band-Aid revealing a fresh wound from two years ago. That wound being Ethan Montello, the extremely gorgeous brother to Vanessa that was highly off limits.

Take Maria, Keith, Marc, Ethan, an erratic best friend/boss, an extremely annoying yet childish Benjamin McGurthy and what do we have? Maria's turn... her turn for her very own HOT MESS!

3.5 Stars I was drawn to this book from reading the blurb and while I was not disappointed, I was not ecstatic about it either. It is a good story of finally coming to terms with love and accepting that you have fell in love. I was rooting for Maria and Ethan through the whole book. I enjoyed the banter between the characters, it really gave the book a light hearted feel. If you are looking for a feel good book that is a pretty easy/quick read, I recommend this book. Also, it is currently free on Amazon so it was an easy decision to get it.

It starts off a little to risqué, but towards the middle and the end of the story, you are laughing so hard and loving entire story

3.25 stars! Ok so I thought Ethan and Maria's story was a little bit better than Vanessa and Ben's story but there is still something missing from Ms. Bryant's stories. I'm not entirely sure what it is but the stories just seem to be lacking to me. I feel like a lot of the arguments the two couples in both stories tend to be pointless; and when they should have an actual argument, they don't. However, the whole pointless argument thing was lessened in Ethan and Maria's story. Maria did get mad at the right times and for the most part they didn't have arguments for no reason like Ben and Vanessa did in Glow. However, I just thought the lack of communication between Maria and Ethan was annoying. I just wanted to smack the shit out of both of them because they weren't talking to each other like they should have. I'm also still a little mad at Ethan for doing what he did. Maria is definitely a bigger person for forgiving him right away. I don't know, I just feel like the author comes up with great story concepts but doesn't really deliver in the long run. Just an ok story to me.

I enjoyed this story the same as I enjoyed Glow . The story lines were too similar for me. Although I did love all these characters it seemed Maria and Vanessa could be interchangeable at times . They both had a Belinda / Jackie situations and a Marc / Chase in their lives. This series left me wanting more story.

I think I liked Ethan & Maria's story better than Nessy & Ben. This book was funny & heart-warming, gut-wrenching & sincere. My fav scene is def the rehearsal dinner. Hilarious & sweet, as well as the little incident the morning of the wedding. Laughing so hard I was crying. Well Done Again Molly!!!

I LOVE THE CHARCTER OF MARIA ANDERSON SHE ALWAYS THOUGHT THAT HER LIFE WAS BETTER WHEN SHE WAS ALONE LIKE THAT SHE WONT RUIN ANYONE LIFE BUT HERS, MARIA WAS SCARED OF FALLING IN LOVE AND RELATIONSHIPS AND COMMITMENT.

I LOVE THE CHARTCTER OF ETHAN MONTELLO HE IS EXTREMELY GORGEOUS AND SMART I LOVE THE WAY HE IS AND HOW OPEN AND HONEST HE IS WITH HIS FEELING.
