One Thing: A Revolution to Change the World with Love Neil Cole

CHRISTIANS SHOULD BE REVOLUTIONARIES! WE SHOULD BE BRINGING A REVOLUTION TO OUR WORLD.

Today's world needs a revolution. But not a violent one. We've had plenty of those. We need a revolution that changes hearts and minds. Jesus didn't come to earth just to change your Sunday morning routine. He came to change your life every day and in every way.

The Right and Left are growing farther apart each week. Liberal politicians and conservatives are in a moral and political take-no-prisoners civil war. And the expanding divide is evident, not just in politics, but also in the arts, education, business, journalism, science, technology, social services, the military, and even in the faith community.

Today's emerging generation is fed up with an unengaged, judgmental Christianity that is afraid to get its hands dirty with real change but is more than willing to shout at the decaying world from a distance. We simply must take a different stance in this world if we want to make a difference . . . and now is the time.

But what is that stance? And how do we revolutionize our world as Christians?

As author Neil Cole dramatically points out, it's all about *One Thing*. It's a revolution of love! Grounded in the love found in the new covenant, this book passionately calls the church back to its true spiritual roots and provides tangible examples of how that was done in the past and how we can do it today. *One Thing* offers an alternative that is biblical, effective, subversive, and loving all at the same time.

It's time for us to trade in our busy religion with so many rules for a one-thing spirituality. That one thing is the love generated by being with Jesus, focused upon Jesus, and letting Jesus leak out in our lives. Jesus was all about transformation and change. He was a revolutionary of the heart, and as his followers, we must bring that radical revolution to our world.

¡VIVA LA REVOLUCIÓN!
