Cris says

I love this little book. Its more child-friendly than the blue and white Baltimore I was taught on, but it still packs a punch. My son was really into the altar rubrics. He wanted to keep hearing more about why we use gold vrs anything else and all the different vestments. Getting his head in the game for alter serving.

Geremias says

This is an outstanding book to teach primary children about the Catholic faith. I wish I had been taught using this resource. The focus is on sound Catholic doctrine and theology from the ages.
