**Nina says**

WTF WAS THAT ENDING OF THUNDERHEAD AND WHAT AM I SUPPOSED TO DO WITH MYSELF UNTIL THIS BOOK IS PUBLISHED?

This is now my most anticipated release of 2019 and I really hope we won't have to wait until fall or winter for it come out!

**Jillian Reynolds (Jillian Loves Books) says**

One whole entire year at *minimum*?

Well.

Let's just say I'm not okay.

*Update: I'm honestly going to check back in on this every week for 1. cover art, and 2. a concrete release date. Baby, I'm sorry (I'm not sorry).*

Scythe: ★★★★★

Thunderhead: ★★★★★

I didn't notice there was a title now! Woah.... \*fangirls\*

In the meantime, here's an interview I found from January:

*"Book three, currently entitled *The Toll*, takes place a few years after *Thunderhead*. The world has changed in ways that follow from what happens at the end of *Thunderhead*. Greyson becomes a very important figure in book three, as do all the key characters who survive book two, and even a few of the ones who don't—because, as you know, death isn't always permanent. A critical aspect will be the "failsafe" that the founding scythes created in case the scythes became corrupt, and failed to uphold its moral imperative. Also important will be a massive cover-up, which I've already alluded to in both *Scythe* and *Thunderhead*, concerning the nature of the tragedies in space that keep humanity earth-bound. We also find out a troubling truth about the mysterious rings that the scythes all wear.... I'm busy working on *The Toll* as we speak! Can't wait to get it out there!"*

**Yusra ? says**

cAN THIS BOOK HURRY UP

---

**Lara says**

2019?!?!?!?!? A YEAR AT THE MINIMUM?!?!?!?!?!

Excuse me while I assume the fetal position.

The Toll? As in the tonists? Maybe Greyson Tolliver? Maybe a reference to what the Thunderhead decides to enact based on the results of the last book?

I need more info. I need this book now.

**twelvejan [Alexandria] says**

Gosh. I can't believe I have to wait another year. I love series because some stories should go on forever, but I hate it when I have to wait a year and then some, just to get a sequel.

---

**Josiah Anderson says**

I might have to glean myself if I have to wait this long!

---

**Ashley \*Hufflepuff Kitten\* says**

Just finished Thunderhead. I AM SO HYPED FOR THIS.

---

**Rekha says**

HOW AM I GOING TO WAIT TILL 2019 FOR THIS

WHY CAN'T AUTHORS JUST SAVE US ALL THE DESPAIR AND WAIT TILL ALL THE BOOKS ARE WRITTEN AND THEN PUBLISH THEM LIKE WITHIN DAYS OF EACH OTHER

BECAUSE THIS

THIS

IS

TORTURE

I KNOW I SAY THIS A LOT.

BUT

THIS IS LEGIT THE HARDEST BOOK RELEASE I HAVE EVER HAD TO WAIT FOR. I DOUBT ANYTHING WILL SURMOUNT THE ABSOLUTE ANTICIPATION I AM FEELING RIGHT NOW.

GEEEEEEEEEZ

WHY

---

**Ishmeen {hiatus} says**

I haven't even read the second book and I'm hyped for this already?? I thought this was a duology but I'm so happy this is a trilogy yaaaaas bring it on??❤?
