## Treasure Creek Dad Terri Reed

Single father Jake Rodgers's daughter isn't happy about moving to tiny Treasure Creek, Alaska. So the former big-city businessman trades his suits for hiking boots and he books a father-daughter wilderness tour to acclimate her. But Veronica isn't buying it. Perhaps guide Casey Donner is just the person to help the girl appreciate the Klondike state's natural beauty. But could tomboy Casey, in her ponytail and cargo pants, also be what this city boy needs for a lifetime of love?

## **Mary says**

Cute story of two totally different personalities of twin sisters, who both mature and find themselves back in the town where they grew up in Alaska. Having losses early in their lives, helps them to reach out to others who also have losses when young. This story shows the Lord working in their lives with faith, grace and trust and the characters becoming open to relationships that are healthy. Anger and rebellion, hidden to them, becomes resolved as they seek Christ and healing.

---

## **Karen says**

Jake Rodgers moved back to Alaska with his daughter to take care of the family oil business. Casey Donner led the group on a Treasure Creek Adventure hike. This one was OK, but did not go as quickly as many do. The characters didn't pull me in quite as much.

### **Treasure Creek Dad**

Good book by Terri Reed. This book is part of the Alaskan Bride Rush mini-series. Oil baron Jake Rogers is trying to find a way to help his daughter adapt to living in Alaska, so she follows a suggestion that he should have Casey take them on a wilderness tour.

---

## **Phylisha Stone says**

First Terri Reed book. Well written romance set in Alaska. The dynamic between Casey and Amelia seemed awkward given that they are twins. Casey the insecure, shy one and Amelia the over the top outgoing one. The descriptive narrative regarding the beauty of the Alaskan landscape was spot on. I would like to read other books in this Alaskan Bride Rush series just to see what happens to other characters that are mentioned in this book.

## **Abbie says**

A newer series that just started a few months ago and runs through December. I just finished the 3rd book the other day.

---

## **Kate says**

I thought this was a sweet book. I liked how Casey tried her best to help Veronica feel better about moving to Alaska (the scenes on the bridge is a prime example), and how she learned to trust God, even in the face of potential heartache.

I liked Jake, too, though he seemed a little bit 'flatter' as a character than Casey did . . . I don't feel like I knew him very well by the end of the book.

A real surprise was Amelia. I wasn't so sure about her at first, but actually quite liked her by the time the story was done!

---

## **Jane says**

A story of love, overcoming hurts, and a tour through Alaska Chilkoot Trail. Casey is a twin. Her sis Amelia is totally different from her. Casey has been hurt in a relationship so finds it hard to overcome. Jake's ex-wife left him and his daughter before she died. So Jake has issues too. Jake plans a tour hoping to get his daughter to fall in love with Alaska where he grew up. Adventure with a mountain lion showing up on trail. Casey knows how to run lion off without anyone getting hurt. She also saves a bat in story. She is a tomboy and loves the outdoors. She doesn't like dressing up. A magazine writes a review calling her one of the guys and it upsets her. The way people judge her is unfair. People can be so cruel. But then there are those who will love you for you. I recommend all Terri Reed's books.

## **Jennifer says**

Yay for the second book in this series! I am addicted. So glad I have the third one already. I love how they keep the story line of the missing friend and treasure map going. Jake is a single father who is trying to help his soon to be teenage daughter learn to cope with new surroundings and appreciate the simpler things in life. When he decides to take his daughter on a tour of Treasure Creek he meets the tour guide that will change his life. Little does he know that she has had issues with being on of the guys and feeling dull compared to her beautiful twin sister. We also get a side story with the twin sister. The relationship between Casey and her beautiful twin has had it's ups and downs through the years. But, they grow closer through circumstances that happen. In the end both twins realize that love is what really matters and you have to vulnerable and take a chance. I can't wait to see how the next story plays out!

## **Brandy says**

I'm telling you, I am LOVING this Alaskan Bride rush series...It's making me want to take a trip to Alaska! I

fell in love with tomboy, Casey, and by the end, even liked her snobby, girly twin, Amelia. And of course I fell in LOVE with Jake & his pre-teen daughter, Veronica. LKudos too, on the cover art....The model, portrying Jake is VERY CUTE!!!, AND LOVE the forest in mountains in the background behind him. ALL-AROUND AWESOME!!!! Can't wait for MaryAnn & Alex's story next month, in 'Doctor Right.'

---

### **Gail says**

Sweet story. Best to read the series in order even though this can be a stand alone book.

---

### **Karen Boraski says**

Love the story and moral. Needs someone to edit the spelling mistakes by reading it and not just spell check.

---

### **Rebecca "Rebaka" Lewis says**

I so love the way Casey and Jake's relationship progressed. They seemed so real in who they are, never trying to be someone they're not. Reading books that have many books helps you learn so much about all the characters. It makes me want to be in Treasure Creek and working by side with all of them.

---

### **Barbara says**

So far the Alaskan Bride Rush series is wonderful. I love the feeling of experiencing, as the natives would express it, "God's Country." I loved the characters of Jake, Casey, and Veronica. I felt they were very authentic and genuine. The character of Amelia was interesting, but I felt she changed a little too quickly and didn't seem totally real to me. The plot held my interest, but was pretty predictable.

---

### **Judy says**

Treasure Creek is an awesome place to visit. This is the 2nd book in the Alaskan Bride series. The first being Klondike Hero by Jillian Hart.

Jake & Casey's story is great. It shows that someone like Casey's twin, Amelia, can have all the right beauty and looks and be shallow.

Also it teaches to be who you are.
