Bintang 4  
Buku 16/16 seri For His Pleasure.

Ini adalah buku terakhir dari tiga kisah cinta pasangan Nicole-Red, Kallie-Hunter, dan Scarlet-Bryson.

Agak kesal dengan ending di kisah Nicole-Red. Dasar Red bikin geram saja. Sekali lagi Nicole resah oleh Red yg ingin memperluas jaringan usahanya dan merambah wilayah Las Vegas atas ajakan kerjasama adiknya Jeb dan teman lama mereka. Nicole menolak dengan alasan Las Vegas bukanlah kota untuk membesarkan anak-anak dan Nicole sangat tak nyaman dengan keputusan final Red. Red berkeras memindahkan keluarga kecil mereka ke Las Vegas untuk lebih fokus pada bisnis barunya itu. Uji coba mereka ke Las Vegas sempat membuat mereka bersitegang setelah mereka tiba disana dan Nicole bertemu teman lama Red dan tak mempercayai karakter sahabat Red itu. Dan sekali lagi insting Nicole ternyata terbukti benar kalau si pria yg dianggap sahabat baik ternyata menjebak Red dalam sebuah perjudian yg telah diatur sedemikian rupa agar Red terbuai dan kalah besar. Sadar setelah terjebak Red akhirnya membantalkan niatnya untuk berinvestasi di Vegas. Puas rasanya saat Red meninjau si " sahabat ".

Sementara itu, Kallie-Hunter kembali bersitegang saat mereka berdua menyetujui undangan makan malam dari Lydia dan Sean (kakak Kallie). Sean bersikap keras dan sinis pada Hunter. Sedangkan Lydia semakin menjadi jadi memojokkan Kallie. Lydia ternyata telah mempengaruhi seluruh keluarga Kallie terutama Sean untuk memboikot acara pernikahan Kallie-Hunter (secara Lydia tanpa sepengetahuan yg lainnya mengetahui jenis hubungan Kallie-Hunter). Hunter dibuat murka oleh pasangan ini. Tak ingin Kallie dan dirinya bertengkar, Hunter menemui seluruh keluarga Kallie dan berusaha meyakinkan niat tulus Hunter terhadap Kallie, terutama ayah dan ibu Kallie. Hasilnya ternyata memuaskan, seluruh keluarga merestui pernikahan Kallie-Hunter dan akan mengabaikan omong kosong Lydia nantinya. Gembira karena itu mereka berdua malah mempercepat pernikahan mereka.

Hubungan Scarlet-Bryson sempat renggang karena Eliza mencoba bunuh diri karena merasa diabaikan terutama oleh Bryson. Scarlet sempat berpikiran kalau dirinya sangat menyediakan karena semua yg pernah dekat dengan dirinya pasti akan meninggalkannya. Dimulai dari ayah yg sangat dicintainya yg meninggalkan

dirinya dan ibunya sedari Scarlet kecil. Agar tak lagi mengalami kesedihan yg sama Scarlet berniat memaafkan ayahnya dan mengadakan janji bertemu dengan sang ayah. Dilain pihak Bryson yg posisinya sebagai sutradara sudah mulai diakui mulai berani bertindak sesuai keinginannya. Bryson tak ingin lagi berusaha menyenangkan orang orang penting dalam pembuatan filmnya terutama Eliza. Bryson berusaha berbaikan dan kembali ke sisi Scarlet. Dengan jelas dan tegas, dihadapan Scarlet, Bryson bertindak tegas terhadap Eliza yg selama ini memanfatkan Bryson sebagai tempat curhat dan pelampiasan frustrasi akan ketergantungannya pada obat obat terlarang.

Puncak akhir kisah, saat pesta selamatan perayaan pernikahan Kallie-Hunter. Para wanita yg menghadiri acara tersebut dibuat terkejut dengan kemunculan Trevor yg mengincar nyawa Kallie dan Scarlet. Lidya dibuat tak berkuik dipukul Trevor (puas hatiku karenanya). Untung Bryson kembali ke rumah Nicole untuk menemui Scarlet dan meyakinkannya tentang perasaan Bryson pada Scarlet. Trevor yg menyandera Scarlet dan Kallie dibuat babak belur oleh Bryson. Rombongan para suami kembali ke rumah mendengar kejadian dan mulai membuat rencana agar Trevor dibuat tak lagi membahayakan siapapun diantara mereka. Dengan bantuan Kane, Trevor menjalani hukumannya tanpa melibatkan pihak kepolisian.

#### **Don't want it to end!**

I was upset in the beginning of this book (won't ruin why) but everything made so much sense of why the book started off the way it did! I'm so glad I didn't give up and stop reading.

### **Tracy Simmons says**

Loved the focus on all three couples/:stories.

Mixing up the character names is inexcusable. Basic editing would catch those mistakes. It ruins the experience because it's so distracting. .

The product description said : Many questions will be answered, shocking events will unfold, and passions will boil over. Read this extra-long finale to find out how everything ends.

The truth is, this is the worst ever finale of a series I've ever read!! No questions were answered, there was no shocking events and there wasn't any passion!!!

If you've bought the other 15 books and think this last book will tie up all the loose ends then you will be disappointed. It was a non book...total rubbish. Shame really as the series started off good with Nicole and Red's story but then just went downhill.

BIGGEST DISAPPOINTMENT EVER!!! I don't even know where to begin because the was the first time I have ever been so let down by an author before.

The series started off really great and then she got greedy making us pay \$3 for like less then 150 pages(apprx). I have no issues spending money on good literature but this is just an insanely bad investment and waste of time.

The way the book wrapped everything up, to say rushed is even an understatement. I might have preferred she didn't even write anything in closing to be honest.

Lydia was too annoying. Terrance was like 1-2-3 & gone??!?

Bryson wants to marry Scarlett after acting like she barely existed?

Kallie & Hunter practically want to elope only AFTER everyone agrees to come to the wedding?

OMG this whole book was utter horse shit.

I question if I will ever read another one of her book again.

And by the by I think it's disrespectful to have such a fan base & following for these book and post no release dates or to altogether miss them with no update on when they were to come out.

I'm sorry Kelly but get your shit together lady!

Wow what a let down. After SIXTEEN novellas this was such a disappointment. Bryson & Scarlett's story ended too abruptly. Hunter & Kallie's story was also chopped off at the knees. Red & Nicole who were my favorites all along had a pointless story line and had no connection to the other couples stories other than providing a Vegas setting for a new spin off UFF series. This series started off with a bang, but fizzled out BIG TIME. Sad really.

I really liked the first 40% of the book. Love Red and Nicole, they have a real partnership. Kallie spends most of the time worrying that Hunter is going to leave her and the rest trying to piss him off. She sounded whiney when i thought she had gotten more secure in herself & her relationship after everything that happened.

The biggest let down of this book for me was the feeling that it rushed through Scarlet & Bryson. This is the couple that had some serious room for expansion since we knew so little about them. Her dad? her sister?

Her making Bryson work for her affection? How the movie made out once released? It felt like they were just thrown in at the end to tie up the story. I would have preferred to spend more time clearing up some of the obstacles they faced than hearing about Vegas for almost half of the book since it made no impact on the ending of this 16 book series.

All in all, great series, would have loved to rate this last book higher but wanted to give what I hope is helpful feedback.

I liked the book, I wasn't really sure when I started reading it if I would finish it. It was a little slow in Nicole & Red's story but it picked up & made me want to finish it off. I'm glad I did now because things finally have closure in this series which is what was needed. My favorite couple of the series is Kallie & Hunter they were destined to face a lot of hardship in their relationship & the way they fought through it was great. Scarlett is another strong character that I wasn't sure that I really liked when she first came into the story but after reading the last book #15 & reading this one I have definitely changed my mind on her. I like her. Nicole & Red started it off & were hot & I'm glad that they are still hot & not watered down like what happens to some characters not in the main story anymore. This is probably a series that I will eventually pick up again now that I have all the pieces to it.

### **Lauren Dilger says**

One word. Shit. I really enjoyed most of this series and then the author started Byron and Scarlett's story. Which I was really starting to get into it and then she releases a half as book 'which lets us catch up with all the girls progress and finish their journey'. Well I would actually call it the author loosing interest in her own series and cutting it off short just to get her fans of her back because shes an unreliable author. I will never read a book from this author EVER AGAIN

### **Bambie Navarro says**

this is the only book in this series that i rated lowly. why? it was disappointing. :( the story was too short to fit closures for three characters. half of the book focused on red and nicole's story and by the time it revolved around scarlet and bryson's, it was almost the end. hence, scarlet and bryson's part seemed rushed.

i mean...bryson wasn't treating scarlet as best he should be and all of a sudden he pops a velvet box? uhm, i got lost there somewhere.

anyway, for all it's worth, i enjoyed the series. this last book, though, which was supposed to be the culminating story for the entire series, was a disappointment.

**Wshrig says**

VERY disappointing!!! Felt like the author just slapped it together... Left many things hanging.. The series started out great and finished with a thud. Too many unanswered questions...too many plots left wide open.. Had I known she would finish up the series this way I would never have read the first 15...

Great Series!!

This series was awesome. I couldn't put it down. I love multi-dimentional plots. This series had so much going on that I literally got lost in it in a great way.
