## From Reader Review ???? ???? 3 [Kadal Pura] for online ebook

### Dinesh says

Unlike the first two parts, this one is more detailed on war, politics than on triangular love. Keeps u engaged in bits and parts. But a must read after u r done with Kalki.

---

### Ram says

The last part was fast paced and the strategies were very good. Initially, when reading the first part, I thought that the novel's main character will be Anabhayana Kulothunga Cholan and Ilayapallavan (Karunakara Pallavan) would play another important role like Narashimavarma Pallavan and Paranjothi in Sivakamiyin Sabatham. However the events took a different turn making Karunakara Pallavan the prime character also Anabhayana character was portrayed as being even more majestic, sharp, and composed - the qualities required for a great ruler. And the way he subdues the all intelligent Ilayapallavan, is very interesting. More importantly, writing historical novels has to be done with care and the author's imagination cannot be bent beyond the premises of the historical facts and justice has to be done to the characters portrayed in the novel to the magnificence they had in history. Except for the digressions at certain places in the novel, Sandilyan is a master in historical novels and has spearheaded it very well.

---

### Muthulakshmi says

very nice book to read

### Meera Srikant says

Abandoned at the point where Kadalpura is heading to Akshaya islands, bearing Ilayapallavan and his gang on orders from Anabayan. Looks like I missed some action, but the pace was too dragging for me.

---

### Chiththarthan Nagarajan says

One of the best Tamil classic historical fiction about the Ilaya pallavan alias Karunakara Pallavan and his adventures.

People compare Ponniyin Selvan with this Kadal Pura, both the books are from different era. There is no need for any comparison. I like both the books in their way.

Sandilyan was a remarkable writer who can write a book with such a extraordinary words.

P.S. This book is must read for the people who want to know the history of Tamil kings who rocked the South-east kingdoms.

---

### **Srikanth R says**

One of the best books I have ever read.. Its up there with Ponniyin Selvan and few other english novels....

---

### **Jothi says**

Nice

---

### **Saravanan Meivel says**

Intriguing & Eloquent style of writing by sandilyan made it as outstanding
