Vitalia says

Another fun Asterix read.

Synopsis

Panoramix needs a special ingredient to make the magic potion but he ran out and now the Gauls are pretty defenseless.

At the same time, the Romans send a spy, Zerozerosix to Galicia to find out the secret recipe of the magic potion.

As Asterix and Obelix set out to find the missing ingredient Zerozerosix joins them and tries to stop them.

Review

It's a fun read as always, with a lot of jokes a bit ahead of their time. This one had Asterix and Obelix staying in Bethlehem and Pontius Pilate made an appearance.

Suketus says

Paluu Asterixin luo oli mieluisa. Onhan tämä ihan mahtava!

Laura says

Uderzo only but still very good

Rollie Reid says

Uderzo is not quite the writer that Goscinny was, but he's not bad, and this is a true Asterix adventure. It is not one of the best, but it is still very good.

Karel Berteloot says

Asterix and the Black Gold (Astérix #26), Albert Uderzo

Alyson Dickerman says

I love these books. I read so many of them when I was a kid and it is always a joy to read them again. I usually find a joke or two that went way over my head when I was 10!

Anna says

In this one, Asterix and Obelix have to the Middle East to procure some Black gold - oil - which Getafix uses as an ingredient for the magic potion.

Funny, full of references to modern-day and with a little twist at the end.

Yves says

Je n'ai pas détesté cette aventure d'Astérix. C'est certain qu'à la longue, les calembours m'énervaient. L'idée de la mouche était mauvaise et ne m'a pas du tout fait rire. Le clin d'oeil à Sean Connery était correct. Sinon en général, j'ai trouvé cette BD quand même pas si mal.

Lelyana says

Kalo Asterix bacanya entah beberapa kali. Sampe bukunya lecek dan akhirnya di bundel supaya gak ilang2an. Komik terkenal sepanjang masa setelah Tintin.

Linda says

AWESOME!!! There is nothing that comes close to Asterix - I have the whole series, both on e-books and hard-copy and they are some of most treasured possessions. I grew up with them and they are simply the best!

Mathieu says

Un peu monotone... Le passage dans le désert est le seul un peu distrayant, lorsque Astérix et Obélix croise successivement un florilège de peuples moyen - orientaux en guerre les uns avec les autres.

Le reste de l'aventure est à peine égayé par la présence d'un Zérozérosix parodiant (vite fait) James Bond.

Sandy Chris says

Brilliant.
