Avalanche of the Heart Rita Hestand

Sammie Jo Travers has too much on her plate. Her grandfather just died, her father is ill with cancer, her cousin took off for College, and her parents have to sell the ranch to meet medical bills. She does what any red blooded American girl would do. She moves to Alaska and opens a saloon.

Good series

I have read this series and loved everyone of them. I just didn't want them to end. It would be good to have a Christmas one where they all get together.
