## Jenne says

Although we have looked at this one before, my daughter was quite taken with this story at bed time and "read" it 3 times. She especially loved the pictures of Clifford tumbling and also landing on the hurdles with one hanging off his nose.

## Kelci Cox-Griswold says

I loved Clifford books as a child. I haven't read any to my class yet, but this would be a good choice. Clifford keeps trying to do events at sports day, but things just don't work out. This book could be used to teach kids that you don't have to be good at everything.
