For Vera Konig, a Christian German nurse, the decision is clear: She must risk her life and that of Andrea, an orphaned Russian girl she is hiding at Ravensbruck Concentration Camp by trusting the enemy, a Nazi prison guard who may save Andrea or parade them both before a firing squad.

Based on a true story, this daunting scenario sets the stage for an inspiring novel of faith, redemption, and the blur between good and evil where three people's lives are transformed. Through Vera's eyes, we are reminded that love may be universal when human survival is at stake. At one point Vera dumfounds Nazi captors by organizing a Christmas party where children from 23 countries sing "Silent Night" bringing joy to those like Andrea facing transport to Auschwitz or extermination the next day.

Written in the spirit of Kristin Hannah's *The Nightingale*, the daring exploits of Vera, a true angel of mercy, shine through in dramatic fashion as hate, love and trust in God collide during the horrors of the Holocaust.

This is an absolutely amazing read! It makes you think and takes you to a very troubled time in history. I would recommend this book to anyone interested in the Holocaust. I brought this book after seeing it on Goodreads.

Kaye Booth says

Courage in the Face of Evil will touch you in the depths of your soul. So skillfully crafted is this book, that your heart will break each time another friend is lost and cringe at every pain and injustice Vera is forced to suffer. You will cheer for each small battle Vera wins. You will rejoice when the allied troops arrive and Vera and her friends are saved.

Based on a real person's diary, but technically historical fiction. Good, but gritty.

Surviving Auschwitz

What an inspiration! After reading a lot of non fiction about the Holocaust, this is an awesome and encouraging story of more than survival, of overcoming. Based on a true story, you will find yourself immersed in her fight for another day.
