## Great Minds Think Alike Lincoln Peirce

Two heads are better than one, except when they're crashing into each other! But that won't prevent Big Nate and his pals from hatching great ideas for fun.

Nate Wright is a wisecracking 11-year-old who knows he's destined for greatness. Nate is the star of *Big Nate*, the daily and Sunday comic strip that made its debut in 1991. Nate's a sixth-grade chess prodigy, a self-described genius, and the all-time record holder for detentions in school history. He's often in hot water with his teachers and classmates, but Nate's winning personality and can-do attitude always make him a big hit with readers.

## From Reader Review Great Minds Think Alike for online ebook

### Destiny says

2 stars because Nate was a little too horny/overly hormone-driven this volume :p

---

### Sam says

I think this book was very interesting and I will read more of them very soon!

---

### Niko Houck says

It was funny and realy relatable

---

### Alex Tenorio says

ALL I HAVE TO SAY IS BEST BOOK AWARD GOES TO THIS BOOK THIS IS THE BEST BOOK IN THE HISTORY OF BOOKS.

I have to say myself I am impressed because I normally hate reading but this book gets me hooked when I just read the first panel. I hope more books like these big nate books come out soon because then reading will be a very fun experience for me.

---

### Michael says

I think it was pretty good

---

### Fayez Hashem says

This book is so great if you want a book to laugh to this is a great book.

---

### Jason says

It was a good book and was funny.

---

### **TheBanterBoy09 says**

This comic is fun to read. It's about a boy called Nate Wright. Nate is in a rush to grow up so he starts reading a book but his dad does not think it is appropriate for his age.

---

### **Claire says**

GROSS. I've never actually read any of the Big Nate books before this, despite (or perhaps because) of the fact that they go like hotcakes in my library. My coworker read this as part of her SRP prize booktalking stash and reported back that Nate was "kind of a douche." True story. I just read the whole thing and I'm feeling... honestly, kind of queasy.

This book feels like such a bizarre throwback, a basically nonstop\* festival of unquestioning misogyny. I read this during the same week of the Elliot Rodger shooting and the subsequent #yesallwomen response, and honestly, that sense of entitlement to women's bodies/attention... it's all right here. Part of me is holding back and wondering if I'm "oversensitive" or "taking it too seriously," which is a bullshit way to keep valid criticism down, and then the rest of me is still horrified, especially because these are marketed SUPER young. Much younger than the Wimpy Kid books, which (while they have their problems) are much less problematic than this.

Anyway, librarians and teachers, it's worth reading these before booktalking or recommending them.

\*I went through and made a quick count: out of ~115 strips, 52 centered around a joke about girls or women's bodies (fat jokes, comics = cleavage jokes, hook-up jokes, crush jokes). 63 were another type of joke, including a couple of actually funny ones about font size, lawnmowing, and sudoku.

---

### **Slow Man says**

Reading Big Nate with your feet up, holding a cup of coffee... ahhh...

---

### **Ave Moore says**

**The Funniest One Yet! One Big Criticism, though...**

**The Funniest One Yet! One Big Criticism, though...**

Big Nate has never failed to impress me. All of the books are downright hilarious, and this was no exception. Francis and Teddy are the perfect additions to Nate's crazy antics, and other characters like Jenny, Gina, and Chester just add to the humor and cleverness. So, with that said, this would have been a five-star review if not for one thing that continuously occurs in Big Nate books: Lincoln Pierce uses the same ideas over and over again! In some parts of the books, he uses major plot points that he's USED BEFORE, just changes a

few small details. And, even worse, there were multiple repeat comics! If Pierce is too lazy to think of new comics, then why bother printing new books? He's basically writing the same one over and over with a different title! I am disappointed with this big aspect of Pierce's books, because it ruined what would have been a rave review.

---

### **Kristin Margetis says**

#### **Terribly awesome**

So good it is hard to explain some of the things that I liked about this book was When nate p!ayed football with the Thanksgiving dinner Turkey please make some more big Nate books Lincoln Pierce I love the big Nate books by Lincoln Pierce

---

### **A says**

So disappointed in this book. I had to make my child stop reading because of the female-degrading jokes. No 9 year old needs to read about “cleavageness” and “buxom”.

---

### **Brandielle says**

Gross. Sexist. Would not recommend at all.

---

### **Adriana says**

this book was great. I'm liking the series so far.
