## One Mistake Emma J. King

One night. That's all it was supposed to be. One night of amazing sex with a stranger she would never see again. No strings attached. That's what Olivia Harris thought when she climbed into William Connor's bed.

But Olivia can't say no to William. He's rich, attractive, charming and says all the right things. So when he asks her to stay, she says yes. And when he tells her that he wants more than just great sex, Olivia lets herself want more, too. But then she learns that William has been keeping a secret, and this secret will change everything.

Just when they find a way to work past William's mistake, something else happens that is even more complicated. Now Olivia must find a way to explain herself to William or risk losing him forever.

ONE MISTAKE is a 15,000 word/55 page erotic romance novella. It is the second novella in The One Series. **FOR MATURE AUDIENCES ONLY PLEASE.**

### **diana marcela Ballestas says**

sencillamente genial, al principio no habia dado mucho por esta serie, pero no fue sino comenzar el primer libro y cambie totalmente de opinion quedé atrapada por la magia de la historia y la sencillez con la que la autora nos permite en tan poco tiempo y papel involucrarnos con los personajes a un nivel muy profundo. definitivamente excelente

### **Teresa says**

Como conciliar o amor e a carreira?  
Pode ela confiar de novo?  
Ao mesmo tempo que abre o coração os acontecimentos à volta parecem querer separá-los ...

---

### **Jenniffer says**

Bien, mucho mejor que el primero a pesar de que el argumento sigue siendo debil.

---

### **Susan says**

Awesome book!!!! I love this story!!! Each book gets better and better!!!!keep them coming!!

---

### **Nina Daguman says**

The first few pages sure made me cry. It was about the support she gave to the abused mothers and their children. Talking about abuse and explaining that some do need the support to get them back on their own two feet was a really nice thing.

On the romantic side of things, Connor shows Livy just how much he wants her in his life.

### **Natasha says**

Some how I get the feeling William is a loose cannon waiting to go off. And if that happens it's not going to end well for these two.

---

### **Christina says**

This totally needs to be renamed A Dozen Mistakes. It was moving ok until she met his parents...then the whole book just went to \*)%\$.

---

### **Jeannie says**

Olivia and William can't seem to get enough of each other, and while they struggle to define their relationship it's obvious where they are heading... down the road to HEA... but not without hurdles and speed bumps in the road.

Novellas... I love them and I hate them... I love them because they can be sooooo good... but I hate them because it feels like we're just reading an over view of the story to come... just a teaser and it's frustrating because you can sense the wonderful story that lies beneath the surface... But such is life. On with the next installment of the novellas.

### **Tia says**

Holy effin drama. I only hope William isn't doing something he could regret forever.

### **Sascha says**

continuación del relato anterior, es una lectura fácil, con una trama para nada complicada es más realmente no hay conflicto entre los personajes ....
