## **The Impossible Collection of Golf** George Peper

In this most recent addition to Assouline's highly covetable and lauded Ultimate Collection, George Peper, former editor in chief of Golf Magazine and 2016 PGA Lifetime Achievement Award winner for Journalism, takes readers on an incomparable golf journey as he travels the world detailing the 100 most significant, historically noteworthy, and architecturally paramount courses. Detailing intricate holes that have confounded the game's best, revisiting tournaments that have made and broken champions, and elucidating on the unique and truly special characteristics of each course makes Peper the perfect golf partner as he walks readers through the clubhouses, the fairways, and the bunkers. From greens as old and hallowed as St Andrews to courses celebrating their first anniversary like Nova Scotia's Cabot Cliffs, from the island mountain course of China's Shanqin Bay to the Hamptons' Maidstone Club, The Impossible Collection of Golf is an unequivocal sensory treat for the golf fanatic, or the perfect feast to feed the wanderlust simmering in all of us.
