A must-have for fans of over-the-top high school comedies like School Rumble and The Melancholy of Haruhi Suzumiya, this is the sixth volume in the *New York Times* bestselling series.

The gang is back in school and it's nearly time for the Culture Festival. Ryuuji and Taiga and the rest of Class 2-C can't figure out what to do for the event, until a random lottery pick tasks them with presenting... a pro-wrestling performance?!

Over on the home front, Taiga's dad has decided to pop back into her life. The possibility of a divorce with his current wife could mean a reunion with his estranged daughter, but Taiga doesn't trust the old man. Ryuuji feels conflicted. While he hopes for a happily-ever-after between father and daughter, it could spell the end of his own "domestic bliss" with Taiga.

## Infinite Scythe says

gahh

---

## Parker says

I think my heart just broke, this hits very close to home.

---

## MC says

It was actually a really good volume. It's just that I don't like sad stories. I hope next volume ends on a happier note.

---

## Lauren says

Enjoyable read, highly recommend this series.

---

## Hiridessa says

I'm so confused!

I'd like to be more like Amin, she seems to know it all! #Frustrated

Also, the only thing that's really pissing me off, is that they've apparently stopped! :(

It's so sad!!! Whyyyyy?!

I couldn't stand it, so I watch the anime... But, it's not the same!

---

## Audrey Felser says

Seriously, cuter and cuter

---

## Srdjan Solkotic says

Toradora is one of those stories that starts you off with an annoying atmosphere and then creates something so amazing that just makes you want to know more about the two main characters.

Showing off the tsundere character in our short female mc while portraying a guy born with a mean face but a kind heart in our other mc. Chaos assured when those two meet.

### **juan carlos says**

En estas páginas me encontré con un tema muy fuerte. tratado con maestría, astucia y mucha sensibilidad. El tema el egoísmo de padres y adultos frente a sus hijos. La verdad me sentí muy identificado, al final. Y ahora entiendo mucho a taiga, y les aseguro que con estas páginas se ha robado un pedazo de mi alma. Fan de taiga por siempre.

El mensaje es fuerte y claro, por más problemas y ocupaciones que tengamos, jamás debemos ser egoístas con nuestros hijos.

### **Brad Branham says**

I've read the light novel series and the anime on which this manga is based. Book 6 continues to be a pretty adaptation of the series - including scenes not in the anime adaptation, always a nice touch.

### **Kaylabookworm22 L says**

I enjoy this series. It is adorable and fun to read.

---

### **Carrie says**

Ryuuji and Taiga's strange and ever changing relationship hits the biggest hurdle here in the reentry of her father, a man that Ryuuji has never met. Further complicate matters cause Ryuuji doesn't have his father in his life and I was just hit in the feeeels.

---

### **Ady Weasley says**

Este tomo me puso muy triste, odio al papá de Taiga, como es capaz de hacerle eso. Ilusionarla y luego dejarla plantada. También Ryuuji se peleó por lograr que Taiga perdonará a su padre y también le falló a él.

Ahor entiendo la actitud de Taiga.

---

### **Kareena says**

So cute and so sad! I hope everything works out!

---

## **Ruben says**

En este Tomo nos dicen un poco de Taiga y su padre el porque se comporta de una forma tan ruda con el y cualquier cosa que haga deferencia al tema, la verdad muy bien logrado este tomo.
