Linda DiMeo Lowman says

I'm too sick to give this incredible book a proper review, but it's a must read, especially for writers for it's unique method used to tell the story. Here are the tags I gave it: literary fiction, coming-of-age, early 20th century, Hudson River, NYC, Jews, poverty, and incest.

Yipes. As a writer, there is no limit to what Roth is capable of. As a biographical entity, there is similarly no limit. Beautiful, unflinching, pushing the limits of emotional accuracy in language. I was *shocked*.
