Book 8 and the grand finale in the Vampire Love Story series

Fighting is what Josiah Reign does best, especially when Tommy the werewolf is his right-hand man. Josiah will fight for true love, for his ideals, and for the survival of his people. But sometimes, fighting is futile...

After Josiah goes against the will of the Triat to save his son, Jason, from Brock, the megalomaniac leader of the Mani, he learns there will be dire consequences for his noble actions.

And, as Josiah discovers the startling truth of his own existence, a terrifying destiny is set in motion, one that he doesn't know how to stop with a fist, a blade, or even with his brave heart.

As Brock gathers a massive army for an all-out war, Josiah scrambles for supporters, resources, and answers. When a battle royal ensues, Josiah knows there's only one way to save them all. It's the most unconventional tactical idea, ever. It's also the only way to save all whom he loves and holds dear.

More than just the legacy of his sons is at stake. In a world where Josiah Reign must keep his friends close, and perhaps, keep his enemies closer, can love really conquer all of the evil in the world—before it's too late for every paranormal species on earth?

Don't miss the stunning conclusion to the Vampire Love Story series by bestselling author, H.T. Night.

The cult is deliciously creepy. And Spider is as sexy as they come. I was pressing the ereader's 'forward' button so fast that I broke it. Let's hope we hear more from Spider."

—H.P. Mallory, author of *Ghouls Rush In* and *Better Off Dead*

"H.T. Night is a riveting storyteller."

—April M. Reign, author of The Turning and Quest for the Keys

Very emotional!!!!

This is the best emotional supernatural series I have read in a long time. It touches the heart and the soul. It is the most loving and caring series. This is the way it should be. Peace and love goes a long way. Thank you for sharing such a great family of love.

Wild Ride!!!

This next installment of the Immortal Warriors did not disappoint! It was awesome to finally see the end of this long journey. At least the end for now. I just hope Tommy gets a happy ending.

As a long time fan of H T Night I have been waiting for this book for some time and was very excited to receive it!

The final chapter in the Vampire Love Story Josiah Reign has to save his son and prepare for war, all while maintaining peace within his own ranks.

Josiah will fight to protect the people he loves, knowing he may die in the process, and I was nervous to see what might happen at the end of the story. With his wife, sons and best friend Tommy will he save the world from the megalomaniac leader of the Mani Brock? This story was as beautifully written as the previous chapters and kept me hooked throughout. I find HT Night to be a brilliant storyteller, he is also romantic and this shows throughout the story. The bonds between his characters is one that many people wish they had in this world and each character is depicted in his own unique way. I finished this story in a few hours because I just couldn't put it down, and I cried shamelessly when it finished. A wonderful ending to one of the best written series I have ever read.

Unbelievable

What an excellent, excellent series. It was very well written, the characters and their relationships were believable and it was addictive from the beginning. I would highly recommend this series.

Fewer mistakes in this book than the seven previously. Seems to end kind of abruptly

Shell Shearer Swinscoe says

What an roller-coaster ride...loved every page!!

Debbie Chittenden says

The hell that this man, Josiah, had been through is being compare. For such a good and honest soul to be tortured and disrespected as he has been.... it's beyond belief. Yet in the end, his loyal friends always had his back and they were able to defeat even the worst odds. Powerful, passionate, loving, and caring.... they are not enough to describe this series.

Betty Miller says

Grammar

I chose this ranking not because of the wonderful story, I loved it. But, there were so many grammar mistakes I had to put my own words in place to make it make sense.

Denise Keef says

It was with much trepidation that I turned on my Kindle to read this story. This was the eighth and final book in a series that I had come to love and had looked forward to every new book in it. How would it all come to its finale? What would happen to some or all of the characters that had become so important to me as I had followed along in each and every book? How would HT Night bring this...the final chapters to an end? Would I be screaming at this amazing author for an ending that I would hate? Well...if I gave any answers to the questions I had thought, it would give away what I feel was an amazing ending to this wonderful series. If you have read each and every book in this series, I'm sure you had the same questions and you will find out all the answers when you read it. I will say this that it is filled with action, angst, love of family and friends, with many holding my breath moments! Many surprises along the way and also many twists had me

wondering where and how it would all end. As I tried not to devour this book...to make it last as long as possible, keeping in the back of my mind that this is the last book, I couldn't help myself and zipped through it much faster than I had intended and came to the end much too quickly....and WOW....what an ending!!! Thank you Mr. Night for an ending that was truly worthy of this series that I love so much! This is definitely recommended to those who have faithfully followed each and every moment through all seven books and the entire series is recommended to those who love a wonderful paranormal story.
