My Brother's Best Friend G.L. Snodgrass

*** A Young Adult Sweet Romance ***

*** The Lakeland Boys 3 ***

Sixteen year-old Marla Turner had been in love with Tank Gunderson her entire life. He had always been her hero. Unfortunately, to him, she would never be more than his best friend's little sister.

Tank Gunderson knew one thing for sure in his messed up life. It didn't matter that she lit up his world. All that mattered was that Marla Turner was as far out of bounds as a girl could get.

Marquitta Martin says

?

I can't believe t this book was the most saddest I was listening to NF and his song made the ending even sadder than ever I started to cry ? idk y but u are totally the best author and that is the first I have said that about any author ???

Sofia says

It was a very good book, but there were some spelling and grammar errors that bugged me a bit (that also could have been from the transfer of book to kindle). These errors definitely did not ruin the book, though.

Priscilla Garcia says

I couldn't like it, I tried.
But it was like it was written by a 16 year old.

Eric Lewandowski says

Love

I loved this book--- the plot was SO intriguing I wish there was more to their story--- maybe just further into their relationship

Yoda says

I've read the whole "series" in one sitting and the only thing I can come up with that annoys me are spelling mistakes, it doesn't feel like someone edited this book or the two before. Especially since they forgot to change "Amanda" to "Amber" some places. Both in this one and the first.

Mella says

Short sweet and fluffy. Plot was thin but it is what it is.

Shannyn Schroeder says

Amazing

The plot line is what you would typically expect, except, there's a refreshing spin, when this tale follows Marla and Tank, you can feel the tension, you can see the chemistry between them.

Pascale says

I could see the author's intentions in writing this book. It was a good effort but it did leave me somewhat wanting. I got the impression that this may not be a very experienced writer. With a stronger editor and some guidance I believe this author has potential. It wasn't terrible, just okay. It just felt that it needed quite a bit of editing and maturing in its style. There is some swearing but no sex. This is a stand-alone novella.

Ketha Thomas says

Love

I love this book ????? ?????? ?????? ??? ? ??????? this so much it's the best u could have I want it to happen In real live but not the dad part

Layla Risse says

I wanted to rate it zero stars but I didn't know how to so I had to give it a *whole* star.
