helped me out in so many ways...read this book and pass it on...

Alicia says

This is the best book I have ever read. Because of the ways in which God spoke to me through this book during a very difficult time in my life, I gave my heart to Him!! Recommend to all!!!

Elizabeth says

Older book but the message is relevant and needed.

Beryl says

Beautiful Book....This book helped me to understand about patience...I thought patient had to do with how I wait in a line...although that is true...I had no problem with that part...I was gud at doing that.....But I did'nt know that I had to be patient with God while waiting for spiritual breakthroughs.....so it helped me a lot...to ease a bit.....

Andrea says

I read one chapter a day so I could let everything soak in. I took a lot of notes in my journal along the way. Like always, Joyce Meyer has wonderful things to "say" and read about.

Linda Stroot says

Some good insights. Parts were not as good.

Chris says

An excellent down to earth teaching on the Fruit of the Spirit.
