The Dino-Buddies are indeed happy campers as they go on a camping adventure with Pap. Read along as these Dino-Stars learn how to be safe and also keep the campsite clean. They catch lightning bugs, enjoy a campfire, swim in the lake, and more. These adorable dinosaur characters experience the basic fun of the outdoors and nature.

Onid Valley (that's "DINO" spelled backward) is the magical land where the adorable Dino-Buddies live and play. "Friends of Distinction . . . Not Extinction," the Dino-Buddies are indeed Dino-Stars!

The Dino-Buddies are of a non-violent nature and enjoy wholesome activities, but sometimes they have to watch out for their not-so-very-nice neighbors, the Dino-BuLLies! Children learn how to cope the buLLying we all experience, even as adults.

With 24 pages of colorful airbrushed artwork, the book offers examples of good manners, safe habits, and above all, kindness. Creatively written by Aunt Eebs . . . and Sprout!, each book is highlighted with a unique melodic, rhyming verse that children delight in hearing again and again.

Also offered in Spanish. Each title is not only available in paperback, hardback, ePUB, CD, but ALSO eBook App on iTunes and Google Play w/ full narration, Touch'n'Listen HotSpots, 10 fun, educational games and music.

My 6 year old really liked this book. He was a little confused on who was who because there are quite a few characters. He enjoyed that all of the characters help and got along. He liked all the bright colors of this book and that all of the dinosaurs looked different. Definitely a cute book and good read.
