I loved the art and it has an interesting storyline.

### **Amanda says**

Tried to get over aliens but this one was a struggle to finish

### **Mr. Tally says**

The beginning did slow a bit. The middle was so much interesting! The history of Bridgette's line was so shocking. I gave it a four star, because the beginning was lagging a lot. I can't wait to read volume 5!

### **Jeffrey says**

To be honest, Kyo Shirodaira, falters in this volume. After establishing a fantastical, even for a vampire manga story, premise in the previous volume, Shirodaira spends much of this one being conventional.

While I am hopeful more will be revealed, this particular volume left me wanting to move on to the next.

Stranger and stranger!

It's becoming weird, but I have an idea of what the author is hinting at (I hope I'm right, because it's really far-fetched otherwise!) Mixed feelings here.

Strano

Già questo fumetto è strano e provoca in me due reazioni differenti:

\*la prima di buttarlo giù dalla finestra perchè la storia degli alieni proprio non regge...almeno per me..

\*la seconda di stupore.

Si stupore perchè è incredibile come riesce a farsi leggere...è così..come dire...contorto!

é contorto in quanto c'è tutta una storia non ancora svelata che è lì..e piano piano viene fuori...lui Strauss è così impenetrabile...non si capisce davvero..ti spiazza ogni volta.

La sua protetta, è uno spasso!!! mi fa troppo ridere...e poi Brigitte! così enigmatica..e Cigno nero..dovrebbe essere iper cattivo..ed è invece così dolce e comprensiva...

e poi che intrighi! davvero neanche Beautiful!

Vi dirò..tutto questo mi piace! e mi sa proprio che lo continuerò..visto che è finito con una rivelazione da avermi fatto saltare sulla sedia e...che mi lascia col fiato sospeso!
