## **Thousand-Year-Old Dream: Out of Ashes (Book #2) Rebecca Eyre**

Six months after her life is drastically changed by a chance meeting with Evon Svacic, Emma Ford lies shackled to a metal bedpost in a dark room, unsure of her fate. Life has lost all meaning since she watched a cargo plane disappeared into the sky surely taking her beloved Evon to his death.

Evon, ten thousand miles away fighting a brutal war, clings to Emma's emails like a lifeline. But a menacing email from Emma's hacked account sets off a chain of events. A sinister maniac, a mysterious stranger, and life-changing revelations threaten to tear the lovers apart.

Out of Ashes continues the seductive tale of an American and her Croatian lover as they battle to save their love while attempting to fulfill the Thousand-Year-Old Dream.

## **From Reader Review Thousand-Year-Old Dream: Out of Ashes (Book #2) for online ebook**

### **Jossie Marie Solheim says**

I really couldn't get into this one. It seemed really farfetched and just didn't make much sense. Plus the constant sexual references seemed out of place and annoying. It was also incredibly repetitive. This really wasn't for me.

---

### **David says**

Interesting read. Liked the way the author used first person from both the male and female main character. Worth reading.

---

### **June says**

looked for the first book of the series but could not find so decided to just go ahead and read. took a bit to get into and all but finally did....not sure about it really.

story is good but this is not the type of book I normally read so it was a bit off course for me.

gave it 3 out of 5 as doubt I would read either the first or last book of the series.....

---

### **Joanna says**

This is such a good book I was drawn in from the first page. I hope this author produces more books in the future as I'll be looking out to purchase more

---

### **Stuart Hargreaves says**

Took me a while to get into this book, but I stuck with it and I am glad I did. The characters are at times a bit predictable but you feel that satisfaction of getting it right, a bit like when you come to the bottom of a page and before you turn over you know the next word. I recommend you give it a go.

---

### **M. says**

Good read. I look forward to reading the others in the series.
