CEN Review Book: Study Guide & Practice Test Questions for the Certified Emergency Nurse Exam

Developed for test takers trying to achieve a passing score on the CEN Certification, this comprehensive

study guide includes: •Quick Overview •Test-Taking Strategies •Introduction to the CEN •Cardiovascular

Emergencies •Respiratory Emergencies •Neurological Emergencies •Gastrointestinal Emergencies

•Psychosocial & Medical Emergencies •Maxillofacial, Ocular, Orthopedic, & Wound Emergencies

•Environmental & Toxicology Emergencies & Communicable Diseases •Professional Issues •Practice

Questions •Detailed Answer Explanations Each section of the test has a comprehensive review that goes into

detail to cover all of the content likely to appear on the CEN Certification. The practice test questions are

each followed by detailed answer explanations. If you miss a question, it's important that you are able to

understand the nature of your mistake and how to avoid making it again in the future. The answer

explanations will help you to learn from your mistakes and overcome them. Understanding the latest test-

taking strategies is essential to preparing you for what you will expect on the exam. A test taker has to not

only understand the material that is being covered on the test, but also must be familiar with the strategies

that are necessary to properly utilize the time provided and get through the test without making any

avoidable errors. Anyone planning to take the CEN Certification should take advantage of the review

material, practice test questions, and test-taking strategies contained in this study guide.

### **Justin says**

This book SUUUUCKS.

I just passed the CEN last night and this book had nothing to do with it. The review material is just ok but the questions are far too easy. They will lull you into feeling like you know more than you do. And that's bad. Bad for CEN test takers and bad for ER RNs in general. Be wary. Use the BCEN study guide material from the ENA publications instead. You're welcome.
