The mystery continues in The Fallout-- Part 2

Quinn's gone. If his disappearance isn't a prank, then what is it? Why? And where did he go? Sylvia is certain Quinn will reappear soon. There's a good explanation, and the event can be saved. Quinn would never ruin this night. At least not willingly. So, did he leave *against* his will? As more time passes without Quinn, anxiety spreads and suspicions rise. Nicole's reporter nose smells something amiss, and her heart aches with the possibility that Quinn might be in trouble. Somehow she must help the man who anchored her through her own troubles. Ethan knows he ought to stay and help, too—and find out what the cryptic note from Quinn was about. But he can't let the shadows of his past cost him his promising future. Long ago, Ethan and Nicole both quit dreaming they could ever reconcile, but as they cross tentative paths once more, will they allow themselves a chance to at least reminisce?

As friends and loved ones try to track Quinn down, they realize thirty years of small-town secrets build to a mystery that no one can solve alone. Will they find him alive to thank him? Catch all the episodes of Season 1 in these re-released collections.
