i really love Lucky Luke comic magazine, it's been a long time since i read it, if i'm not wrong this series is telling about the task for Lucky Luke with his horse Jolly Jumper from the mayor of Titusville to help maintain the founded of oil (black gold) that become the source of the fighting to own it.

Seru !!!

Lucky Luke is the sexiest cowboy, ever! I was fangirling over him for so many years, and well until forever. Hahaha

Intrigue dépayssante. Si le cas du pétrole avait déjà été évoqué dans "La ruée sur l'Oklahoma, ici, il est au centre de l'histoire qui, sur le modèle d'une ruée vers l'or se focalise sur les problèmes posés par l'éclosion de villes champignons et les manoeuvres spéculatives qui entourent la découverte de nouvelles richesses.

Heureusement, c'est à Lucky Luke que le maintien de l'ordre est confié. Il aura du reste fort à faire pour contrer son opposant, un juriste véreux (pléonasme ?) qui utilise la loi à son seul profit.

Lucky Luke tries to keep order in oil-mad Titusville. Jolly Jumper hates it and just wants to go back west. Not one of the best of the series, but still good.
