I love Rick Steves' books - they are so very helpful, informative, with a bit of humor thrown in to boot. A huge help for our recent trip to Athens. The pull out map in the back was invaluable!

As a tour guide myself (<https://www.facebook.com/LafayetteSqu...>), I've met and like Rick Steves, and have enjoyed a number of his other books. I find him to be a bit reductionist & predictable, however. Yet in this case, where I had but two days to explore Athens, his book supplied the perfect roadmap for the highlights of the place. Just right.
