### **Bonnie Dale Keck says**

Not Kindle Unlimited, received free in hopes that would review but not sure from where, wasn't librarything so thinking maybe goodreads giveaway, do win some of those. Bit preachy to me, though think that my grandkids at least the girl would probably like it probably wouldn't see it quite the same way I did, so sticking with a 5, and yes the illustrations were quite nice as well, probably enhanced by the fact this was not an ebook but was soft cover physical book.
