Bu kitap ile ilgili, ne diyebilirim..Çok sevimli,güzel bir romantik komedi ide..Bay?ld?m..Hkayenin basit bir konusu var ama o kadar sevimli ve romantik ki..K?saca çok güzel vakit geçirtti?i gibi moralimi epeyce yükselltti..Moraliniz bozuk oldu?unda bu kitab? elinize bir al?n derim..

Yazar?n Cüretkar isimli kitab? 2006 y?l?nda bas?lm?? ve bir daha ülkemizde kitab? ç?kmam?? biraz ?öyle bir ara?t?rd???mda yazar?m?z?n epeyce okunacak kitaplar? var ve ben onlar? da okumak istiyorum..

Konusuna gelince:))

Allyssa'n?n evlenmek üzere olan samimi arkada?? ondan çok s?ra d??? bir istekte bulunur..Bekarl??a veda partisi yap?lacakt? ve arkada?? ni?anl?s?n?n orada ne yaptu??n? merak ediyordu..Bunun için Alyssa'dan yard?m istedi..O da kabul etti..Düzenlenecek partide striptizci olarak girecekti k?l?k de?i?tirerek..Mindy(evlenecek arkada??) daha önceki ni?anl?s?n? bir kad?n ile ayn? yatakta yakalam??t?...Ayn? ?eyin tekrar ba??na gelmesinden çok korkuyordu..Tom için bu partiyi arkada?? Cooper düzenliyordu yani kahram?n?m?z:))

Alyssa partiye di?er striptizci k?zlarla girdi ve dansetmeye ba?lad? di?er k?zlar?n yapt??? gibi sütyeninini ç?kartt?, kendisine do?ru gelmekte olan koyu renk saçl? yak???kl? adam?n kafas?na denk geldi sütyen ve gece ba?lad?...Cooper ile dü?ünmedi?i yak?nl??? payla?t?...Ömründe hiç bu kadar cüretkar ve gözü kara olmam??t?...Sanki parti onlar için veriliyordu..Okuyun tavsiye ederim..Sorunlar?n?zdan,problemlerinizden biraz olsun s?yr?l?n...

Kitap sanki oldu da bitti ma?allah gibi olmu?. Ne h?zl?yd? öyle. Sonra dura?an hale geldi fena halde s?k?ld?m. Tamam iyi romantik ?eyleri severim ama bu fena halde bilindik olmu? bana göre erkeklerin bekarl??a veda partisine arkada??n?n ricas? ile kat?l?r kocas? olacak adama güvenmeyen bir gelin her neyse k?z oraya gitti?inde ortama uyum sa?lar ?ey gördü?ü çift gözdür. Sonras? da i?ler kar???r ve hayat?nda büyük yer kaplar öylece olur geli?ir biter k?sac?kt? fakat beni s?kt?

I read some of this for my local romance reader's book group. We chose it because the premise sounded like a lot of fun in the write up we read during our last meeting. The execution of that premise, however, was much less enjoyable than the glowing review it received in Romantic Times.

Alyssa's best friend Mindy is getting married but Mindy doesn't trust her husband-to-be to remain faithful

during his bachelor party (her previous fiancé cheated on her during his bachelor party) and asks Alyssa to infiltrate the party disguised as a stripper. Alyssa's a dancer and knows how to shake her thing apparently. During the party Alyssa drinks some booze laced punch and lets loose. Cooper, the best man and a straight-laced type, removes Alyssa from the party when she throws her bra in his face and lets her sleep it off in his den. When she awakens she decides to have a wild a night of sex with Cooper, throwing her virginity and all common sense to the wind . . .

Cooper is smitten with the smart-mouthed stripper who has just given him the best sex of his life and intends to get to know her a whole lot better but it seems she's run away. He meets her again, of course, at the wedding the next day and recognizes her even though she no longer wears a black wig, stripper makeup and is acting all shy and innocent. But before he can have at her again she's on the run back home to San Francisco . . .

The setup is cute (if you can suspend your disbelief enough to have some fun with it) but from here little things began to drive me over the edge.

Alyssa is nauseatingly over-the-top sweet. She meets a kid on a plane who whines that she wants a pony for Christmas and doesn't believe in Santa because he refuses to deliver her one. When Alyssa learns from the mom that she's struggling to make ends meet Alyssa (whose family is loaded) agrees to buy her one so she'll continue to believe in magic. Seriously?! She dotes on her grandfather which I have to admit is kind of sweet but we're supposed to believe she has remained a virgin at 24 and then threw it away to have sex with a stranger? This girl is described as a gorgeous, wild, free-spirit but has never seen a man's anatomy up close? Sorry, I'm not buying any of it.

Anyway, Cooper is so desperate to have a repeat of the "greatest sex in his life" that he nearly becomes all stalker-like. He interrogates the other strippers until they reveal private info. that leads him to Alyssa. He then boards a plane and follows her to San Francisco, leaving his important business in the hands of his partner. When he locates her, he spies on her while she dances at her place of business.

And this is where I called it quits.

I really liked this book. It was a little sweet, a little spicy, and a little out there, but somehow it all worked out. I'd recommend this for when you need something light-ish and have a good couple of hours to read. I finished this book in a flash because I was enjoying it so much.

Kyla says

A fluffy beach read- perfect for numbing your mind a few hours, not-so-perfect for any intellectual stimulation.

April says

Entertaining book, I loved how the characters developed in this story. It had so many laugh out loud moments and the crazy animals Cooper ends up with at the auction. I loved that he chased after her and didn't give up.

De?i?ik konusu itibaren ilgimi çeken bir roman oldu. ?lk ba?lardaki yaz?m dili ve olaylar?n geli?imini çok be?endim. Sürekliyi ve heyecan vericiydi. Ba? karakterlerin aralar?ndaki ili?ki son derece iyi tasvir edilmi?ti. Taa ki ortalar?na do?ru farklı bir kitaba dönu?tü. Ba??nda bahsedilen karakterlerden uzak farklı bir kurguya dönu?üyor gibiydi. Kötü oldu?unu söyleyemem ama heyecandan yoksun uzatmalarla doluydu. Kopya bir kurgu gibi de?il fakat ilk ba?lardaki tad? vermemesi kötü olmu?. Ortalama bir kitapt?...

This story jumped right and at first I did not like it, but then it seemed perfect. The book kept my attention throughout the story. Great ending to a great book.

Melissa Fletcher says

Alyssa and Cooper were a very cute couple, the story started as Alyssa helping her best friend check on her fiance, she went to the party and ended up meeting her future lover, they connected instantly and Alyssa was scared and so she ran away back to home, Cooper determined followed her and they learned so much about each other and fell in love, all the animals that Cooper had to deal with were real cute, and it was a fun and witty book!

I happen to be very into drama books. That is why I liked this book so much. It was very mischevious, sneaky, and dramatic. It's about a woman who sends her friend out to a club to spy on her fiancée. The book takes a wild spiral from there. It is very exciting and easy to get into. I enjoyed reading it and I didn't want to put it down. I would recommend this book to anybody who likes drama and action.

Sarah Gonalez says
