**Thick Thighs Save Lives: A BBW Romance Anthology** Kendra Rainey , Vaneecia , Shavekia Layfield , Nicole Dior , Fatima Monroe , Chan , MZ. JOE , Queen Keishii , more... Sa'Ja Jay , Irish LahChynah ...less  
Sixteen authors picked one song from the 90's R&B Era and made the song into a story. The short story is written about different curvy women to capture the scene of romance, life, love, careers, college, etc. I promise you will fall in love with the authors and characters. I hope you enjoy because Volume 2 is coming this summer.

**Kendra Huskey says**

**Love the heck out of these stories**

16 great stories. I wonder will these authors come back with another anthology (don't keep us waiting). I really hope us readers can get the rest of the stories soon. The authors did a good job with picking relatable songs. To be honest I absolutely love the 90s which is another reason I was in awe with the book. The sex scenes in some of the stories was fye. I really can't say nothing bad because these stories was all that and more. Each author had my attention and made me want more. Some stories I could relate to. BBW and I absolutely love it.

**CrazyTiltedHalo\_BookPlugTyeis Washington says**

**Great Job**

I likes these stories. I hope some translate to full novels. I like the theme of the book overall with the song titles.

---

**BookPlugMegz says**

**BBW Anthology**

I enjoyed the stories in this anthology. Each story was different and kept my interest. I'm looking for some of these stories because I'm hoping some of them continued.

---

**Yolanda Davis says**

**These stories my my...**

They were all a page turner the only downfall was that they were all also to be continued. Once the stort got really intriguing it ended. About halfway through I was ready to throw my tablet, but I continued reading with the hopes that part 2 will be out soon.

---

**Helen Clark says**

**Great stories**

Best collective stories, I read in a while. I can't wait for the books from the cliffhanger. I will be waiting.

---

### **Tammie Stephen says**

#### **Thick Thighs...BBW**

This book took me a little longer than the others because after just about every story I was searching the writer on Amazon to see if they had come out with the sequel or a whole book. That just how good the stories were. There is definitely a message for the BBWs but I think it could be for ALL women. No matter what you think about yourself, there is someone out there that can see the beauty in you & will you to see it also. The men in these stories definitely made the vivid sex scenes even steamier. Getting ready to start part two to see how many of these continued stories, if any, are finished. The cliffhangers definitely leave you wanting more!

---

### **Vernell Howard says**

#### **Loved It!**

Great stories of Love ....old and new. Love the characters and the characters persona. I love the back stories and the approaches of the BBW's. It shows their strength and their resolve that women of this stature have to build, for themselves to make a firm stand on who they are and what they represent. As a BBW myself I have to say yes we are beautiful, smart, sexy and fierce. The men represented in the short stories are true men that loves women period; not their size. Great Read! ReneeG ?

### **Mamajay says**

#### **Loved this?**

Wow this was such a great read . I enjoyed all the authors thanks for coming together on this . I'm trying to find all of these books so I can see what happens. You ladies are doing a excellent job, continue to embrace who you are. I'm a BBW my self and I walk around like I'm a size 6?  
Be blessed and peace and love??

### **DENISE says**

#### **Great read**

This book was awesome. Nice variety of stories. Some left you wanting more. Too many to give them individual rating. So I will just say read it I know you will enjoy it.

---

## **Cindy says**

### **Good reads**

I loved reading all these short stories about BBW's. I loved each one. Each story was engaging. Now I'm on to part 2.

---

## **Carol says**

### **Review of Thick Thighs Save Lives**

I thoroughly enjoyed reading these stories about BBWs. Although the stories centered around the beautiful woman, each story told a different tale. The moral of the story is no matter what size a woman is, she deserves love and respect. I look forward to reading part 2 to see if it contains the continuation of the stories. Great job to the ladies who contributed to this book.

---

## **thea watson says**

### **Grea read**

Read this book through the night i just couldnt put it down. This compilation of stories are FIRE. Looking to read more from the individual authors

---

## **Michelle ReadAcholic F says**

### **fanning myself**

who run the run thick girls... these women ain't no joke, although rainbow was completely touched in the head. looking forward to completed stories and Robert don't let Patrice go

---

## **Tonya Everett says**

### **Tonya-Review**

I Enyoed all 16 Books. Good job ladies. I love reading Plus Sized Books about Beautiful Women's. I can't wait for the ones that is TO BE CONTINUE This SUMMER.

---

## **lauvwannabradfield says**

**Okay, ladies with thick thighs!!!!**

This book was off the chain! I couldn't put it down, now I gotta for part 2! Something has got to give. Loved it, great job ladies.
