## Unforeseen Everly Drummond

Sara and Gedeon have settled into their new home and their new life together in an upscale New York Condo. Life is good, the sex is great, and they are head over heels in love with each other, but things are far from perfect for the happy couple. Gedeon panics when Sara unexpectedly becomes ill. No herbal remedy he concocts seems to be working. Afraid that Sara might be rejecting his mark, Gedeon is forced to call on his friend and mentor for help. As he races against the clock to find a cure for the only woman he has ever loved, Gedeon and Sara are both shocked to discover the truth behind her illness. It is something neither of them could've foreseen. 18+ Contains explicit sexual content.

### **Mandie Trahan says**

Love it.

My complaint is I want more!!!!!!

---

### **Judy Hubbard says**

This was book #3 and I enjoyed it. The story starts right after the end of Hellfire and I like the continuity the author has created in her stories. In this installment, Gedeon and Sara move in together and face an unexpected crisis (which I must say, I guessed before it happened). Sara's Aunt and Uncle are also present in this installment along with an old friend from Gedeon's past. Of course the story will continue in book #4, which I will read when available. I have enjoyed all of the shorts, but wish they would have been put together in one complete book instead of 3 separate short stories.

---

### **Kathy says**

Okay, I admit it. I am now Gedeon-essed, a Gedeon-a-holic, a Gedeonizer...or whatever you want to call it. He is even more lovable in this book than in the others, and I didn't think that possible. He will do anything for Sara, or give her anything her heart desires. But all she wants is him and his love. He treats Sara and her aunt to a day at the spa, but something goes terribly awry. At this point my mind is going all over the place wondering what the heck just happened. But, my heart is going out to Gedeon and his pain...or fear of losing Sara. Gedeon is a healer and a very strong vampire, but he is so vulnerable when it comes to Sara, he can't help but wind his way into your heart. He is so attentive and thankful for Sara's health, but then....that happened! Oh, yes! The unexpected! I really feel like Gedeon and Sara are coming full circle in this book, and I can't wait to see what changes Sara goes through and how she and Gedeon are going to cope with everything that is happening in their relationship.

---

### **Nadine says**

Really good story.

---

### **Liz Barrons-Kattalakis-Qiakides-Tehrror says**

Loved it, I'm really getting addicted to this series!!!!!!

---

## **Amanda says**

I previously reviewed the 1st book (see old blog postings) and just wanted to wrap it up with the other two books.

-Quick reads

-Easy to follow

-Great “fill in” reading when you’re trying to decide what to read next

-sexy and hot

-free!! author site

spoilers ALERT below\*\*\*\*

Book#2 - Sara gets marked finally and to some extent it's really not made into a very big deal in the story. I think that author just wanted to get her to the point that she was all sexed up. You're told that sex as a vampire is more intense and erotic. I told you all in my review of book #1 that there is sex of all kind to interest any kind of erotic reader, but personally I was disappointed that Sara and Gedeon weren't alone for their first time together with Sara as a vampire. I'm no prude and the threesome wasn't the problem - just would have enjoyed at least one intimate and private moment before they brought someone else in the picture.

again spoiler ALERT\*\*\*\*\*

Book#3 - This book felt very domestic compared to the other two. All the books take place in common day - real time, but the author works hard to incorporate vampire myth into the boring reality. I didn't feel that as much time was taken to put those details in book three until the last chapters. It's still a great book and rounds off the series well. I did get a little Twilight-ish feel at the end when Sara is pregnant though. I do like them as a couple and I like the idea of a baby in book 4, but it seemed a little predictable and tired.

## **Kathryn says**

The series rolls along with Gedeon and Sara moving forward with each other. Family brings them closer, and when Sara becomes ill unexpectedly they become even closer. I can't say much more without giving the plot away. But the love that you feel from these two resonates for anyone with a heart.

---

## **Rachel Seumalo says**

Good read, but I wouldn't call it a book at around 100 pages. But if you buy the 4 pack then it equals a full novel.

---

**Jessica `~Blahyze~` says**

Oh...My...God! These ebooks just keep getting better and better! The third ebook in the series lives up to and exceeded my expectations. I love Gedeon, him and Sara make such a perfect pair and they had some pretty damn hot steamy scenes in this installment. The twists in this read were fabulous and the cliff-hanger ending! I couldn't stop reading from start to finish and I didn't want to stop! I cannot wait for the next one!
