Three short stories... very light, fine for a holiday read.

### **Lyndi W. says**

#### ***Catch a Cowboy by Sharon Sala* 3 stars**

May also be known as *Miracle Bride* - I liked this one. A few loose threads, but still pretty good for a short story.

#### ***Collide with a Single Daddy by Marie Farrarella* 1.5 stars**

Also called *Single Daddies Club* - Horrible. Just... bad.

#### ***Geting Personal by Beverly Barton* 1 star**

Might be called *Get Personal* - Bah. Dishonest female MC and a stubbornly class-obsessed male MC. Strongly disliked it.

### **Cindy says**

Nice, quick little read.

Miracle Bride by Sharon Sala - Loved it!

**Deb Diem says**

A great trio of fun reads. I enjoyed all 3 books. All three books are quick reads for those with limited time for reading. Each book is a complete book, not a cliffhanger and not part of the other books in this set.

**Kari says**

I only gave this 3 stars for Sharon Sala's story. The other 2 in the book weren't that great.
