50 Days of Heaven: Reflections That Bring Eternity to Light Randy Alcorn

For Christians, eternity is an exciting promise, but many do not know the details of what life will be like in heaven and throughout eternity. *50 Days of Heaven* allows the reader to stop wondering about heaven by teaching the biblical facts regarding what's so wonderful about Heaven. The devotional provides an easy-to-follow, 50-day program that reveals the biblical information on what a Christian's life will be like in heaven. Throughout this journey, the reader will learn and meditate upon the promises, rewards, and expectations that a believer in Christ will enjoy for eternity. This devotional draws on the teachings in Randy Alcorn's best-selling book *Heaven*.

Jarm Boccio says

An inspirational book to be kept by your bedside! Condensed from Alcorn's tome "Heaven" this devotional will bring joy to your heart and peace to your soul as you read about our true home. God's children will delight to know what our Father has in store for us. Truly wonder-filled!

Susan says

I am looking forward to meeting Mr. Alcorn in eternity.

Michael Holloway says

One of the dullest, least useful books I have ever read. Full of dubious speculation and questionable inferences. Don't waste your time.

Tim Suddeth says

After reading his book Heaven, this is a good way to break up the information into bite size chunks that you can meditate and think on. Very inspiring and comforting. What a great future we have in store for us.

Gbraden says

Randy does a great job of bringing about overlooked scripture and focusing on Heaven. This book resulted in many discussions with fellow readers. While some of the material seems to me to be wishful thinking, but much material for thought.

Keiki Hendrix says

'Fifty devotions to spur your heart toward eternity.'

In 50 Days of Heaven: Reflections that Bring Eternity to Light, Randy Alcorn pulls select portions of his bestselling book Heaven (Tyndale House, October 2004) into short, power packed devotions.

Each devotion has a bible verse, a quotation, the text of the devotion, and ends with a prayer. This was my

favorite prayer. I am praying it on a daily basis:

“Father, fill us with the wonder of being able to see you face-to-face.”

Why read about heaven when you are battling so much suffering in your day-to-day life? Because, to the Christian, Heaven is our destination. Knowing what the Bible says about what is promised to us, establishes a perspective and gives us hope when we face troubling times.

Secondly, and perhaps more importantly, when we focus on Heaven, we begin to see the people around us differently. We rejoice with those bound for heaven and we grieve for those who are not.

Pick up 50 Days of Heaven: Reflections that Bring Eternity to Light and read these short messages about where Christians are destined. Very enlightening and enjoyable, filled with wonder and hope. I recommend it highly.

Emily says

A good friend recommended this one to me because they liked it so much. It took a while to get around to it, but would say that it's decent and practical for giving biblical answers to questions about heaven. It's meant to be read as a devotional but it's one I burned straight through (partly because it's light, easy reading and partly because I needed to eventually return it). I'll be doing a further in-depth video review about this in the future.

Natalie says

What an incredible 50 Days we have just had - sharing this devotional journey with 50 friends. This book has deeply impacted my walk with Father and adjusted and tweaked my Heavenly worldview yet again. Highly recommend this book to every believer and every beloved human being.

Elizabeth Jones says

I'm on my third or forth time to read this amazing book. If you've ever wondered about heaven, this is the book to read and to be so encouraged in life.

JJ says

A relative gave me this book to read. It is a great book that gives you an idea about what the bible says about heaven. It was well written, I feel that the author made a few assumptions that we simply won't know for sure until we get to heaven. Overall a really great book to read!

Caroline says

Made me excited for Heaven! Recommended to me by Pop.

Emileigh Latham says

I lost my mother on April 10, 2018. I had many questions. Some of them being, "Where did my mother go?" "Is she safe?" "What is she doing now?"

After my mother's intensive care and suffering which lead to her death, I developed PTSD. 50 Days of Heaven partnered with counseling, helped me look to the future with peace. This book confronted some things that I wrongfully believed about Heaven and put pieces of truth that I knew about Heaven into a beautiful canvas of what Eternity will be like.

50 Days of Heaven was not only helpful in answering those questions but it gave me hope during this time of despair and sorrow. I look forward to the day I can be with Mama again and with my Savior with great anticipation.

I will admit, some of the devotions were a bit cheesy but, overall, I highly recommend this book.

Samia says

This book taught me a lot about the pending questions that i have been having about heaven and the possible 'new world'.

If you want to learn more about the New Jerusalem, pick this book (by Randy Alcorn) up and read a section every day.

It gives you a good feeling of knowledge and passion after you get done with reading it.

Janelle says

This is the second time I have read this book and I really enjoyed reading it again. We read this as a family and it provided so many great discussions as a family and insights to the treasures that await us. Definitely worth a read

Dawn Donaldson says

Wonderful devotional! I loved it!
