Following the lyrics of the song, the book contains pop-up illustrations.

While teaching patriotic symbols and patriotism, read this book, looking for symbols of our country. Look for pages that explain some lyrics which cause confusion.

Thoughts: This is the most beautiful/incredible book I have ever come across in my life. It's attention to detail and graphics are outstanding. The lyrics of America the beautiful are the words to this book and it just makes you feel so patriotic! America really is beautiful and this book shows that statement off well.
