*Design School: Type* is an in-depth guide to the rules and practices of typography, you'll learn the essential skills of the professional typographer in the detail.

Searching for a way to **increase your skills as a typographer**? This instructive guide, specially designed for students, recent graduates, and self-taught designers is a comprehensive introduction to typography. These guided lessons offer in-depth analysis of all the major areas of theory and practice used by experienced professional designers.

Each section is interspersed with tests designed to help you retain the information they've covered, and a selection of relevant support files in popular design software formats so you can test yourself with **provided demos**. This guide to the rules and practices of typography avoids the temptation to stray into other areas of design technique, preferring to cover the **essential skills** of the professional typographer in the detail required to **arm students and graduates** with the knowledge needed for a successful start to their chosen career.
