Enough Love For Two Maggie Casper

Enough Love for Two Maggie Casper Connor and Carson McCain have always shared everything...including their women. They've grown a bit cynical about ever finding the right woman for them to share their lives with when Tara Sanders returns home. Falling for calm and cool Carson was one thing. Realizing on the night both men were to take her to their bed that she also loved his dark and dominant twin brother left her panicked. It has been three long years since Tara fled not only her hometown but the love of two men. Now she needs their help. In her quest for assistance Tara has come to realize she has more than enough love for two in her heart. Now she just needs to figure out how to convince the wild McCain twins she's back home to stay.

HOT!

Great book. Interesting characters, although the heroine can seem very immature at times. What I really loved was how the author portrayed the dynamic between the three characters as the story progressed. She explored the themes of forgiveness and second chances plus gave us a HEA, which I think we could use more of in this world.

Was ok. Too open ended for me - I like a conclusion in a story, not just a drop off in the middle of a story.

The premise of the story was good, the part with Oliver could have been explored a little more and shouldn't there have been more scenes at the bar, maybe? I liked all the characters mostly. Conner was dominating and fierce, Carter was his exact opposite - for the most part, and Tara was likable and strong-willed. I think the story could have been spread out over more time, like a few days before Carter gave in to talk to her...

3.5 stars,

Thought I was downloading Raising Kane but decided to give it ago, I do love a ménage and hadn't heard of this series.

It was good but needed a bit of meat on its bones
