I LOVE THIS BOOK

I learned so much from reading this book. I have read the bible through at least 3 times and I have always really enjoyed the book of Daniel, but there was a lot of it that I didn't understand. This book has answered a lot of questions that I had. I know that in the years to come I will continue to refer back to this book to refresh my memory. I want to Thank GOD and the writers for all the information that is in this book. Please continue your good work.
