## **The Renegade** Terri Farley

For the Phantom, there is only one girl. For Sam, there is only one horse.

When an ambitious rodeo contractor comes to town, Sam's worried. The woman wants to buy tamed mustangs from local ranchers, including Sam's dad, and doesn't seem to like taking no for an answer.

Then Sam spots the Phantom's herd -- without him. She's sure he's been captured by the rodeo, but how will she find him? And even if she does, how can she set him free?

Ages 10+

## From Reader Review The Renegade for online ebook

### **Zyra says**

it's good

---

### **Julian Daventry says**

Plot is kind of annoying, but watching Sam attempt to teach Rachel is amusing. Also, JAKE

---

### **Brit says**

I love this book. It's amazing. I own the first 6 books of this series...I plan to collect them all!

---

### **Rena Sherwood says**

Although it was nice to see the focus of the series go back to Sam and The Phantom rather than to Sam and (insert new horse's name here) this plot got too silly for words. Very unrealistic, escapist stuff -- which does have its place in this highly stressed-out world BUT STILL ...

---

### **Nicole Haan says**

An average teen series.

---

### **Cale\_Steps says**

Good to pass time. Can be interesting/exciting-but def. for horse freaks!

---

### **Emily Guyer says**

This was a good book also. She did anything to save her horse. that was what she was going to and and she did it with know intention. That horse trusted her and she was going to keep it that why.

---

### **Vonnie says**

?

---

### **Arianna Centrella says**

it was sad but in the end sam had her horse and he was free again.

---

### **Emily says**

i like this book a lot, Sam is starting to grow up, and she's having more challenges in her life

---

### **Mango Yum :)** says

The renegade was good, but the author drew it out. I didn't like it as well as the third one.

---

### **Tiffany says**

Another cute story by Terri Farley. Well worth the read. One of my favorite things about these books are that the author does not sugar coat the hardships of living on a ranch. She talks about money issues, droughts, flash floods, and other things that affect living on a ranch.

I also enjoyed this story because she left a lot more to the imagination as she delved into the story. It wasn't too easy to guess the answer. I liked the mystery. I also liked the idea that the main character is growing up.

As always, this book is about a girl, Sam, that is growing up on a ranch and she has a special bond with the wild horses near her ranch. One in particular she has a bond with because she helped raise that horse and then had an accident. The horse escaped and has been living free since. The wild horse still remembers her and she still loves to visit with the horse. The adventure that she gets to be part of is a rodeo contractor that wants to obtain stock from her ranch and others around. Her dad refuses to sell, but the contractor does not want to give up. The contractor goes about getting stock another way. This adventure is fun because Sam gets to learn about rodeo's.

This book is a good read for the horse lover!!

### **McKenna says**

The renegade is the fourth book in the Phantom Stallion series.

For the phantom there is only one girl, for Sam there is only one horse. When a rodeo contractor comes to

town, Sam worries. The women wants to buy tamed mustangs from local ranchers, evens Sam's dad. The contractor doesn't seem to take no for an answer. One day Sam spots the phantoms herd- without the Phantom! Sam is sure he has been captured by the rodeo, but how will she find him? If she finds him, how will she set him free?

My personal favorite part is when Sam goes on the journey to find the Phantom. I recommend read this series if you like reading about horses and mysteries.

### **Ashley says**

I believe this is the last in the series I read. I wish I'd continued, but I suppose I moved on to more adult books. Anyway, this series was great for its intended audience and when I was 11/12 I enjoyed it!

---

### **Christine Meunier says**

The fourth book in the Phantom Stallion series by Terri Farley is titled The Renegade. Sam is surprised to find that a rodeo contractor who is out to make a name for herself is seeking stock locally. Sam's feelings quickly turn to fear when the contractor – Karla Starr – shows interest in mustangs in particular.
