The Winter Duke

Jillian Eaton

The Winter Duke Jillian Eaton

After being rebuffed by her betrothed, Cadence flees to her brother-in-law's remote estate in the English countryside to escape the humiliation of getting left at the altar. With Christmas rapidly approaching, Cadence intends to spend the holidays locked in her room with chocolate. Fortunately for her, the Duke of Colebrook has other ideas...

Renowned throughout London for his long string of lovers, Justin Dearborn, Duke of Colebrook, isn't looking for a wife. Having been spurned once, he has no intention of putting his heart on the line a second time. Until one passionate kiss with Cadence leaves them both yearning for more...

With Christmas right around the corner, can two wounded hearts find the courage to love again? Or is this one affair that won't make it to the New Year? Found out in *The Winter Duke*, the first novella in a brand new series by best-selling author Jillian Eaton!

Maggie says

A short and light romance story. Great dialogue but the extreme lack of historical accuracy takes it from a decent 3 stars down to two.

Keri says

Another adorable novella by one of my favorite authors, it follows up the story of the sister in the "Fall Duchess". I'm looking forward to the "Spring Duke" in April !

Elaine says

Lovely story. 5?

Cindy says

Good read

Cadenc escaped London after her the man she thought to marry told her that they would not be marrying after all. So she goes to stay with her sister and her husband in the country. This is where she meets her duke.

Justin is the Duke of Colebrook does not trust women after been spurned. But Candence surprises him when he realized he did not impress her and she stood up to him. They fight but there is a strong attraction between the two and Justin is determined to have her.

I enjoyed Justin's and Cadence story.

Zubee says

5 stars for a short, sweet and funny book ...

I loved how snarky h was and H's utter laziness; she calls him an overfed cat who sleeps on windowsills ... worth the time to read it

Booklovinglady says

Oh boy, I had such a good laugh ?. It's witty and funny, just the way I like my historical romance novels.

Marvellous.

Shirley Hamlod says

A nice continuation of the Wycliffe and Hannah story. This story is about the burning passion between Colebrook and Cadence. An enjoyable read.

Bridget Lewis says

Love in the winter

Cadence thinks she is ruined as she is jilted by an Earl obsessed with buttons. She travels to the country to stay with her newly wedded sister. She encounters Justin who is a Duke and a rogue. She has a wicked sense of humor and is unimpressed by him at first.... Love this HEA!

Gi Gi Gast says

A wonderful read.

I love romance novels and read them constantly. After many years and many novels I feel pretty sure my ratings are great. This was one of my favorites to date. Keep writing Jillian and I will keep buying and reading yours. Thanks

Jennie says

This is another fantastic novella from Jillian Eaton. As always it is fully of laughter & love & is just the right length.

You will love Cadence & Justin probably because of their faults & the taster from The Autumn Duchess set it up brilliantly & the story did not disappoint.

I can't wait for the rest of the series.

If you loved the Duchess series you will love this

Grab a coffee, chocolate & enjoy ?

Elodie says

Wow, this short story was a concentration of wits bottled between these few pages.

I do not remember why I preordered this book, but today I'm definitively happy I did it. Cadence and Justin are so far from perfect, they are perfectly imperfect for one another. She thought she had everything anticipated except for not-soon-to-be betrothed, and more than the loss of a man she did not loved, it was the idea of not reaching her goal that hurt the most. Justin had been hurt too previously by a woman he loved so he packed his feelings in a box to become the rakish of the scoundrel he can be. Then they meet, and because she did not coy in his presence, and worst, she banter with him, never shy to express what she thinks of him. Their battle of wits are hilarious, and what ever they face, they keep their spirit high.

« "I thought that since you were awake before noon the sky was falling down on us." Justin scowled. "I don't sleep that much." Twisting in his arms, she regarded him with an arched brow. "You're like an overfed cat languishing on a windowsill. All you do is sleep." »

A very enjoyable novella.

I have now to dig in the artist list to find Hannah's story.

Julia Richards says

Silly little romance. Cute read and quick. ?

Janine says

Lot of things wrong due to the era but a cute read.

Kathy Jensen says

Couldn't stop reading it!

Wonderful, delightful story! I loved the characters! Loved the story, especially getting both sides of what they were thinking. I've read and enjoyed other books by Jillian Eaton and look forward to the next one!
