Blood Relics

J. Robert Kennedy

Blood Relics J. Robert Kennedy

***** FROM USA TODAY BESTSELLING AUTHOR J. ROBERT KENNEDY *****

A DYING MAN.

A DESPERATE SON.

ONLY A MIRACLE CAN SAVE THEM BOTH.

As Jesus Christ suffers an agonizing death, a blind Roman soldier named Longinus is miraculously healed after lancing the crucified body, yet though the miracle restores his eyesight, it marks a new beginning to his troubles as he and his friends flee the authorities determined to suppress any word of what truly happened during those fateful events.

Two thousand years later Professor Laura Palmer is shot and kidnapped in front of her husband, archeology Professor James Acton, as they try to prevent the theft of the world's Blood Relics, ancient artifacts thought to contain the blood of Christ, a madman determined to possess them all at any cost.

Acton's desperate pleas for help spur his friends to action, Interpol Agent Hugh Reading, the CIA's Dylan Kane and Chris Leroux, and the Delta Force's Bravo Team, all answering the call to help save the woman he loves and the most precious relics the world has ever known.

From USA Today bestselling author J. Robert Kennedy comes his twenty-first novel, *Blood Relics*, a heart pounding thrill ride filled with non-stop action, humor, heartache and intrigue where he once again takes a well-known event in history and expertly weaves it into today's headlines.

About the James Acton Thrillers:

"James Acton: A little bit of Jack Bauer and Indiana Jones!"

Though this book is part of the James Acton Thrillers series, it is written as a standalone novel and can be enjoyed without having read any of the previous installments.

The James Acton Thrillers series and its spin offs, the Special Agent Dylan Kane Thrillers and the Delta Force Unleashed Thrillers, have over 600 Five-Star reviews and have sold hundreds of thousands of eBooks and paperbacks. If you love non-stop action and intrigue with a healthy dose of humor, try James Acton today!

Available James Acton Thrillers:

The Protocol, Brass Monkey, Broken Dove, The Templar's Relic, Flags of Sin, The Arab Fall, The Circle of Eight, The Venice Code, Pompeii's Ghosts, Amazon Burning, The Riddle, Blood Relics, Sins of the Titanic, Saint Peter's Soldiers

Eric says

The James Acton books are always a fun quick read. Even though they are a series, they do not have to be read in order. The stories are exciting and full of adventure...it is like you are reading an action movie and watching it play out in your mind. These books are definitely good reads!

Ryan Rauber says

Not my favorite Acton thriller, but not the worst. Certainly not as good as the previous book, The Riddle. But the primary characters return, and as always these books are fun. This time someone is stealing the blood relics, the items refuted to have the actual blood of Jesus Christ. It's up to Acton and co to find out who and stop them. Short, fun, full of action and excitement. A worthy addition to the series.

William P Sands says

Another spellbinder

J. Robert Kennedy has done it again. I discovered this series long after the publishing . I have read the first twelve in order and can't wait to start thirteen. I do hope at some point he revisits justice on the villain and recovers what was stolen. I think it would be another great story and although it is fiction, I would feel better knowing that justice had been served.

Dean Vanek says

Excellent addition to the series!!

I couldn't put this book down! The way Robert wove the story surrounding a Roman soldier the pierced Jesus's side at the crucifixion into this novel was epic. I love the historical aspect of his books even if he's used literary licence to fill in the gaps and create his own storyline. Excellent

Kenny Johnson says

Awesome story!

This series just gets better with each installment. I must say that this chapter in the series really intrigued me due to my interest in religious fiction. This book was literally impossible to put down.

Dennis says

This is another (#12) novel in the James Acton series. The author doesn't age his characters so this series can go on as long as there is another story to tell. And, I'll keep reading the books as long as I'm having fun!

Kristen Dawson says

Could not put it down...

Robbie says

I'm always happy to read any of the J. Robert Kennedy books; this one is no exception. The James Acton series brings plenty of action and excitement along with likeable characters. I rated this one 48. stars.

Anne says

This was an exciting thriller. It begins with the story of Longinus, who pierces Jesus' side with his lance as he hangs dying on the cross. It fast forwards to today as a relic believing to contain the blood of Jesus is stolen. As more relics are taken and violence ensues, James Acton springs into action. This was non stop excitement and a great read.
