Falling In

Alexa Riley

Falling In Alexa Riley

Saint and Jeanette's story.

They met by chance. Or so she thought...

Losing her wasn't something he was willing to do. Sometimes life takes you to the edge, but Jeanette had a Saint to catch her.

This is the short story of how they met, how they fell in love, and how much Saint loves going down on her.

This story must be read after Vols 1-3 to fully understand Jeanette and Saint's story. This is the final book in the Taking the Fall Series.

Netanella says

"Falling In" tells the story of Saint and Jeanette, during the same timeframe as the story of Carter and Cherry in the first three books. It can be read as a standalone, as it isn't serialized like initial three offerings in this series - but really, what's the point? Understanding Saint and Jeanette comes so much easier when you've already met them as supporting characters earlier. The story is decent, but I could have done without the "Mommy" and "Daddy" crap.

Soonya says

I hope there will be a book about Tony and Mary. Really :D

And that sneak peak was interesting.

As for this book... I didn't like it. It was too short to know anything about them and Saint was not an alpha. Safe read though.

Sultan * Baby Mama Smut-a-teer* says

i enjoyed Saint and Jeanette's story. Him and his "Mama" yum

Val Shameless ?? Steamy Reads ?? says

3.5 Stars

3.5

Barbara? says

I was really looking forward to Saint's and Jeanette's story but I was a little disappointed. I don't really like my heroines dominate. I wanted Saint to take more control. I definetly liked Carter and Layla together better. But, I do love Saint!

Diana's says

5 Drenching Stars!!

Full Review Here...

I was so happy to see these two together and get their HEA.. The glimpses we saw of them through out Taking the Fall were hot & funny teasers..

Boy I definitely wasn't disappointed!

Stories in Review says

I just reread this one again. Great addition. Short and sweet. I loved it. The push/pull and separation happened in part 2 & 3, from the start of this, they are together. Great read.

Deborah says

I was really looking forward to Jeanette and Saints story, I'll admit I've been curious about Jeanette past, what happened to make her into the woman she is today?

My only worry was the sex, these books are high on the smut scale but in the previous book Saint had been handcuffed to the bed which isn't my thing, so yes I was worried.

I loved Saint and Jeanette is a strong feisty as hell female and while I didn't like her need to dominate I loved that Saint did and gave her that.

I have to admit her past wasn't quite what I'd imagined. The way she came up with the cover story and her ability to use guns had me envisioning something much more convoluted.

Again it had a good epilogues.

Book Description

"They met by chance. Or so she thought...

Losing her wasn't something he was willing to do. Sometimes life takes you to the edge, but Jeanette had a Saint to catch her.

This is the short story of how they met, how they fell in love, and how much Saint loves going down on her."

This little beauty is Saint and Jeanette's story, the story of how they met and connected, how they fell in love and knew they'd found their soul mates and it's beautiful to watch. Their chemistry is so clear to see and wow. They've gone through their fair share of drama and made it through and got their HEA YAY!

Their story will capture your attention and you won't want to stop until you get to the very end.

This was a beautiful addition to the Taking The Fall series and I loved every minute!

This story must be read after Vols 1-3 to fully understand Jeanette and Saint's story. This is the final book in the Taking the Fall Series.

B.E.Love says

I loved this conclusion to the Taking the all series. I wasn't sure about Saint and Jeanette's story because of Jeanette but I ended up really liking this book. Saint of course can stand right along side Carter he is possessive, and jealous of anyone who try's to take Jeannette away or take her attention, he will do anything to make her happy and to be with her. Jeannette comes off hard but when you learn her story you understand it, I also really liked to see her barriers come down with Saint and her soften with him. The epilogue was amazing, and I mean amazing we get to see Saint and Jeanette's epilogue which I did love but them we also get to see Saint and Jeanette's son, Anthony and Carter and Layla's daughter, Mary together, they could get their own book all on their own. There is another character who may possibly(?) get his own book. I am actually hoping both sets get a book.

We also get bonuses of the letters Carter and Layla wrote to one another while Carter was in prison. This just give us more insight into each of them, especially Carter and it's just more evidence of the love Carter had for Layla all along. This is a very steamy series but with that steam are some really great stories with amazing heroes. And even though this series isn't long it was well worth it and one I would definitely recommend.

Alba M. says

Ya sabéis mi puntuación a libros cortos, así que esto sería un 4.

Esta es sólo la historia de Jeannette y Saint añadiéndole un par de escenas más a lo que ya vimos mientras leímos a Carter y a Layla así que no tengo sinopsis que daros, realmente.

No me gustó tanto como la otra, es que a mí los apodos que se tienen no me gustan. Y el rollo de Jeannette... Meh, simplemente no es lo mío. Es que hay momentos que ella tiene unas cosas tan raras en la cama que me

quedaba un poco... Sintiéndome rara jajaja. Es que no sé ni explicaroslo. Simplemente fue raro. Por lo demás la historia es todo lo que buscas y encuentras cuando lees a Alexa.

Trish says

OK, this was sort of a retelling of some of the happenings from Volume I to III, only from Jeanette's and Saint's perspective. Not bad but not good either. I kept hearing the "voices" of the other two MCs and except for the revenge thing it was stuff the reader already knew about so no bonus there either.

Anish Kohli says

26/12/18: RTC. Or maybe not :P

Ally Cakes says

Alex Riley strikes again with Saint and Jeannette! I love the relationship these two had. I wish we could explore their story more but I hear I would end up not liking Mama if we did. Saint and just so near perfect that any amount of suffering she made him feel would not go well with me. lol Also I was also hoping against hope that Mary and Saint Jr would get their story but I see that the author wrapped up their little story line here, which I was sad and happy to see.

I can't wait for Alexa Riley's next book! This author never disappoints!
