## I Got a Houston Thug for Christmas Candi B

Christmas was around the corner, and for Tiana Jordan, her favorite holiday was just another normal day. Bells weren't ringing, and spirits weren't bright. She is stuck between a rock and a hard place. With a mother who has abandoned her motherly duties, Tiana is left with two mouths to feed. Tired of struggling, she is at her breaking point. Regardless of her current situation, she was going to spread some holiday cheer, and make the best out her situation.

Benz McCall is the king of H-Town. Ready to leave the streets and the empire he built to his brother, he was ready to focus on the more important things- his daughter. When Benz was hit with a surprising event that left his heart in shambles, and him a single father, he vows to never fall in love again. To avoid dealing with his feelings, he works overtime in the streets. Benz never wanted to fall in love again, but all that changes when he meets Tiana.

They realize they have a lot in common, and for Benz, that wasn't a good thing. The feelings that he kept locked up were escaping. A change of events leaves Tiana to make a decision that will change the rest of her life forever. In dire need of a Christmas miracle, will Ol Saint Nick send Benz as one of Santa's helpers, or was Benz the gift of all gifts? For these two, Christmas will never be the same.

## **From Reader Review I Got a Houston Thug for Christmas for online ebook**

### **Monae Nicole says**

#### **So good**

I really enjoyed this story. I felt bad for Tiana and her siblings but I liked how she stepped up for them and did what she had to do for them. Benz was perfect for her and I'm glad they found each other.

---

### **Teresa Page says**

#### **I really did enjoy this book!**

The reason I gave it 3 stars and not 5 although I really did enjoy the book is because the erotica, although not much, was too much for a feel good Christmas read and the fact although old boy did good things he still was a murderer. I felt the main character was leaving one bad situation for one much worse. Yes her mama was a drunk and void of emotion but this man for all his good his actions sooner or later would catch up to him be it his enemies or the DEA. I did however really enjoy all the characters and the book and found it a decent read.

### **Aniya Walton says**

#### **Amazing**

This Christmas story was good from beginning to end . I love the bond Tiana and Benz had after they really got to know each other . Benz had tiana and her siblings back since shelia didn't want anything to do with hers kids . Glad shelia was ready to change at the end . Benz family was so funny and zeke instigating at the Christmas dinner

---

### **VONETTA JARVIS says**

#### **Enjoyable**

Enjoyed this read..... I was happy for Tiana she deserved some happiness. Benz was all that and more. But Zeke took the cake. Mrs. Georgia and Mr Fred kept me laughing the family Christmas dinner was made up of laughs

---

### **BookPlugJai says**

## **5 ? read**

This was a good Christmas book. I loved Tiana and Benz. Benz took my girl from out the club and Tiana was just the woman he was looking for. Benz had a heart of gold and what he did for Sheila made me really fall in love with him. Now that Zeke was funny and he needs to find him a lady and settle down somewhere. I can't wait for the next book.

---

## **Letricia says**

### **Great Story**

Benz and Tiana story was so good. Benz needed someone to love him even though he didn't know it. Tiana needed love also, someone to show her it's okay to have a little help. Loved the storyline.

---

## **Shirley Mcqueen says**

### **Such a wonderful story**

I was glad Benz went to see T's mother & gave her a reality check bc she was dead wrong for the way she treated her children. I'm glad she realized the errors of her ways & took steps to get help so she can be a good mother. Benz & T are good for one another bc they each came with baggage & helped each other to overcome it & fell in love. I really enjoyed this book it was very well written & didn't have any drama or violence in it

---

## **BookPlugMonie says**

### **One of the best Christmast books out!**

This was one of the best Christmas stories I read this year. It felt like watching a movie where you can easily connect with the characters. Fell the emotional rollercoaster and be entertained at the same time.

---

## **Shronda says**

### **Absolutely loved it**

This book was so good. Tiana went through a lot with her mom. She had to grow up too fast. Benz and her relationship was one relationship that blossomed fast. But it was what they both needed. I'm glad Benz went and confronted her mom. They were just the push she needed. Great happy ending.

---

## **Sondra Anthony says**

### **Great Christmas**

This was a great Christmas story and I loved the story line and would love to read about both couples again.Candi B you did your thing with this one waiting for the next.You have a great mind for writing please keep writing and I'll keep reading your books.This book was ?????????Whoever reading this try the book because it will have you in the Christmas spirit.

---

### **REND A FOSTER says**

#### **Fabulous**

First time reading from Candi B.and I was very impressed with her pen game,I loved the story line ,Zeke was hilarious, Journee little butt was a mess.I was happy how things turned out for T and her siblings.

---

### **Vernell Howard says**

#### **Won't He Do It!**

I'm glad God blessed Tianna by positionong Benz in her life. Benz is truly an angel in disguise by helping her to be more and to do better for herself. Tianna needed someone to show her what true and unconditional love is, unfortunately her mom didn't do that, but maybe she'll get that chance in the future. I know one thing God put people in your life for a reason and some for a season. I hope Benz stays in her life for the right reason, permanently. Great Christmas Story! ReneeG ?

---

### **KeeReadsUrban says**

#### **Dear Santa**

Omg I need a Benz in my life like right now Zeke old messy ass but I loved him so much I'm glad T got her happy ending and oh my God benz family is a whole mess out here

---

### **LITerary Queen Chels says**

???

Whooooo ?? I haven't laughed that much at characters in a book in a long time... this book was everything the ebonics and all because that's how people from the south really talk.. I loved it... this book made me want to hear a little bit more about Tiana and Benz but in another story maybe treasure and Zeke crazy behind but great read

---

**Lisa Dukes says****OMG**

I must say I really enjoyed this book I have laughed myself to death. This book had me from beginning to end I loved the characters and the story line I hope it's more to come from them I glad Tiana found love in Benz and her mama finally getting help now I hope to hear something from Zeke and Treasure because he is to funny along with the Mrs. Georgia and Mr. Fred looking forward to reading more from you.
