## **Robert Owens says**

The Easter Bunny left this book for Fritz today in his Easter Basket. Fritz loves Max and Ruby!

We have read this twice already. Max is hellbent on having a parade. Ruby and her friend Louise explain that the parade is tomorrow; today is the day for dying eggs. Max has other plans, as he is wont to do.

This book is an excellent anchor book for quotations and onomatopoeia. It is simply displayed.

Happy Easter, Fritz!
