Princess Charming

Elizabeth Thornton

Princess Charming Elizabeth Thornton

When Gwyn Barrie inherits a mysterious legacy donated by an anonymous benefactor, she is sure it's too good to be true -- and it is. For along with the legacy comes the man named as the sole trustee of the money: Handsome, charming Jason Radley.

Eight years ago, Gwyn and Jason were in love -- until Gwyn disappeared for reasons Jason could never understand. Now fate has brought him back into her life again -- along with the funds Gwyn so desperately needs.

But Gwyn's good fortune quickly sours when someone begins to follow her all over London -- someone who may even want her dead. Frightened and alone, Gwyn has only Jason to turn to. But can she trust the man who broke her heart so many years ago -- and fight the passion that is seething so close to the surface? Soon nothing is what it seems as Gwyn and Jason are swept up in a terrifying game of greed and lust -- where the stakes are nothing less than their lives....

Marianne says

Really

Ike's this book. I liked the characters and the plot.

Fre06 Begum says

Gwyn and Jason were probably the most boring and bland couple that I have read by ET. The premise was so good and it truly could have been a good read but the two main characters were so bland and lacking in any chemistry that I had to force myself to finish!

Elizabeth says

Not sure what this is

Following the theme set by the first novel in this series, we have a substandard romance mixed with a token spy agency and mystery/thriller. It's confused about what it is and I'm confused because I still liked it. 3 stars

July says

This is the first book I have read by Elizabeth Thornton. It is a Historical Romance. I would say I enjoyed it very much. The story brings Gwyn Barrie and Jason Radley together.

Gwyn is a widow who is trying to raise her soon teaching music in the early 1800's. Jason is a third cousin removed whom she fell in love with when she lived with his family after her family leaves her.

Jason shows up on her doorstep telling her about a mysterious legacy donated by an anonymous benefactor. Her good fortune suddely turns sour when someone starts trying to kill her.

This book was full of mystery and adventure. Plus the romance.

Mskychick says

A pleasant book

Elaine says

I liked this one better than Whisper His Name.

I liked Gwyn a lot even if I didn't agree with some of her choices. She's a strong, independant single mother. Jason was an ok hero, he didn't stand out in positive or negative. The mystery was good, I didn't figure out who the murderer was up to the last pages. The romance was satisfying too. Not quite for 5 stars but definitely worth more than 3.

Bibliothekeerin says

Gwyn as a heroine has Abby from the last book beat by a mile. Jason, on the other hand, didn't impress me as much as Hugh, but that's probably being unfair. Gwyn is on her own and has a son to raise, yet she has a quiet strength.

Harry the assassin is threatening enough to seem real, not that I have come across any assassins in my time. Gwyn's son is a darling and it's sweet to read the scenes where he plays with Jason. I imagine that Thornton's being a grandmother of 5 in real life (when she wrote this*) gave her the motive to give the little man his own personality.

The other female character has personality, too--more than Gwyn, actually. Judith is VERY funny! Quite a firecracker. And her avowed fiance, Jason's brother, likewise shows more personality than Jason. Grandmother Radley is a pistol, too.

Good story. Not 5 stars, but not 3 either. But why the title "Princess Charming"? There is no princess, and no connection that I remember to "Men from Special Branch"--but then it's been a few days since I finished the book and went on to read 3 more. My memory is a sieve! (Was Jason a friend of Hugh or Richard? I can't remember...headslap!)

(*She passed away in 2010--so sad.)

Desi says

Leído en Abril 2014

2do de la Serie "Princesas"

Sinopsis:

Cuando Gwyn Barrie recibe una misteriosa herencia de un benefactor anónimo, está segura de que es demasiado bueno para ser cierto. Y así resulta ser, pues junto a la herencia aparece el hombre encargado de administrarla, Jason Radley, un antiguo amor frustrado de Gwyn. A este inconveniente pronto se unirá el miedo: un desconocido comienza a seguirla insistentemente por las calles de Londres; alguien que, incluso, podría desear verla muerta.

Asustada y sola, Gwyn solo puede recurrir a Jason . Pero ¿puede confiar en el hombre que le rompió el corazón? ¿Será capaz de vencer la pasión que sigue sintiendo por él? Pronto nada será lo que parece: Gwyn y Jason se verán arrastrados por un torbellino de avaricia y lujuria.

Daneesha says

I had quite a bit of free time on my hands so I read this book in a couple of hours. :)

I liked the murder/stalker mystery that plagued the hero and heroine. However, I felt that their relationship was not fully developed. It felt like the author relied on stuff that happened in the past to fill in the gaps of their relationship.

Kay Webb says

Re-read September, 2009. Not quite as enjoyable as when I first read it.

Gail says

Good romantic suspense. There seems to be no reason for the bad guys to go after the heroine. Also her second cousin has turned up in her life again which annoys the spit out of her. It's just a good read.

merilie Gonzales says**Princess Charming**

I'm not one of those people who likes to tell you the story in my review. I loved the story loved the cast of characters and love the romance. It was suspenseful, kept my attention, and I'll be reading the whole series again.
