Steph says

Wow, that was a great ending to a wonderful series.

Literarycat says

Great series

Jeffrey says

While predictable in outcome, this final volume of the series is done well and that definitely counts. While the series is a bit rough edged at the beginning, it grew into a solid, if decidedly different, vampire thriller well worth the reading.

Emily says

When I first started reading this series, I had to make a decision when the aliens showed up: did I want to continue reading?

Ultimately, I decided to give the series a chance, and I'm glad I did. The plot is woven delicately, pushing toward the inevitable.

Would definitely recommend this series

Selena says

So this series, much like Kyo Shirodaira's previous series Spiral: The Bonds of Reasoning, ended not with a bang but with a whimper.

The fight with the aliens was underwhelming despite the amount of time spent setting up for them. The final battle between Strauss and the Black Swan was also somewhat underwhelming as compared to the fight with Yuki at the start of the series.

It was getting good in the middle there, but this ending was just disappointing.

Michaelt says

A very nice ending to this series, all the story lines are wrapped up well. There is a few more revelations in this very twisty tale.

ECCEZIONALE!

Non ci sono parole per descrivere questo manga!Lo so ad un certo punto volevo interromperlo, ma per fortuna non l'ho fatto!Ne sono successe davvero tante, troppe!E in questo volume finalmente tutto è più chiaro! e tutto è così triste!Viene rivelato tutto, ma proprio tutto quello che è successo mille anni fa..e tutte le motivazioni che hanno portato Rosa Rossa a fare quello che ha fatto.Non anticipo nulla...perchè è splendido scoprire i retroscena! io continuavo a stupirmi in ogni pagina...ed è stata una sensazione bellissima! Buona lettura!
