A Chaotic Love: When A Savage Falls In Love Natisha Raynor

Re-release *Standalone novel** Mia is young and naive when she goes to prison for a crime that she didn't commit. To make matters worse, she did time at the hands of her own sister, Jasmine. Mia comes home with a chip on her shoulder and despite Jasmine's countless apologies, her vindictive and selfish ways prove to Mia that she hasn't changed one bit. Mia just wants to keep her distance from Jasmine and get her life together. Thanks to Jasmine's boyfriend, Mysonne, Mia finds a job, and thanks to Mysonne's best friend, Chrome, Mia finds a new relationship.

It doesn't take long for things to go left, and Mia discovers that those closest to her are the reason for many days of heartbreak, betrayal, and disappointment. One of the few people in her corner, who doesn't cause her any pain, is the one person who should be off limits to her.

It doesn't take Mysonne long to figure out that Jasmine was the worst mistake of his life. Dismissing her is no problem, but Mysonne soon finds himself in the midst of chaos when he discovers that his best friend is foul, and his ex, Misha, is grimy. Mysonne feels that his back is against the wall, but like the true savage that he is, he comes out the corner swinging.

He seems to have everything under control, everything except the romantic feelings that are brewing for an associate, which will lead to a world of drama. Mysonne can't believe that his womanizing, abusive, best friend got the prize that is Mia, and soon, Mysonne, Chrome, Mia, and Jasmine, find themselves in a chaotic, drama filled adventure that quickly erupts into a street war that turns friends into enemies.

Terry Young says

Wow

This was a good read. There were some troubled characters in this book that makes you really think about the company you keep. But I loved the relationship that My and Mia had because it shows that you can find a real man or women that will stick by your side through better or worse. Great job. Gave it 4stars due to the numerous errors.

Marquitta Warren says

Good Read

This was a really good story and it was so much drama that I didn't have to worry about being bored. But that Jasmine I swear she had nine lives..smh!! Her tail just couldn't do right.

Shirley Mcqueen says

Man tht Jasmine was something else

Now this was a very good book it kept my interest all though out the book. I couldn't believe how grimy Jasmine was she was a poor excuse of a mother and the way she did Mia was really wrong. but Mia came out a winner and got a good man and now she's gonna have her own child. Jasmine got her krama in the end it was a long time coming but it finally happened even though she killed herself. Mia & mysonne can finally live happily without worrying whn she was gonna pop up and do some grimy again

A great read

This was a great standalone. I enjoyed Myshonne and Mia. They were great together and the chemistry showed. Jasmine did not love herself. She went from man to man and ended up with something she could not get rid off. I hate Mia mom had to die behind Jasmine mess. Glad everybody got what they deserved.

Sometimes

Sometimes the love comes from the worst situations. Sometimes love just isn't enough. Sometimes love is forbidden, but brings people together but got side tracked along the way. Then sometimes we just don't love ourselves enough. This ride tells of love gained and love lost. How much have you gained or lost for that Chaotic Love???

Tonya-Review

Mia and Jasmine just didn't care. Khalid was wrong. Jasmine didn't want to believe her sister. Chrome was a beast and crazy. Mysonne couldn't help who he loved. I hope that there is a book about Shay and Jeff. Malaysia and Jasmine was friend. I enjoyed reading this book

Judith Sims says

Loved it.

I fell in love with Mysonne and the way he handled everything. I just really wanted Jasmine to go somewhere or just die. It's like she had mortality. I couldn't believe the ending, but the way Jasmine was going, I knew it was only a matter of time. Very good.

5 ?banger!!

This book was soooo good. Jasmine was so trifling. Mia was dealt a bad hand, but she made the best of it. Mysonne was a good man with a good heart. I hate everything that they had to go through, but they made it out on top. This book had my attention from the first page and held it until the end.

5 stars..Loved it

Loved it.. Jasmine was just dirty for how she did her sister. Then she took the easy route out by taking her life. Chrome was just as dirty as Jasmine. He got exactly what he deserve too. I'm glad that Mia found happiness with Mysonne. He loved her unconditional. They let the past be the past and moved on together

happy and in love.
