Bookish Dervish says

This the first grammar book I extensively studied. I exhausted every single chapter more than thrice. Along with its exercise books 1 & 2, they make good companions to English learners.

© itugitugitu 2012 says

A brief summary on grammar rules of English. Arranged in systematic and categorized indexes make it simpler for learners to search for particular grammar features.

Jeffrey says

I find this book very informative and complete, although it is not a book to be read from beginning to end.

Sagar Tilva says

to improve english

Arwen56 says

Kalle says

Great book for anyone interested in the English grammar (both foreign and native speakers). Covers pretty much every major topic.

Samson says

hi

Jana says

It looks dull, doesn't it? But, the thing is, it's really good, although it will be too much if you are looking for a basic grammar book, as this one is more focused on advanced learners.

Vi Nguyen says

I love you

yengyeng says

Useful for a second opinion, especially if I am not too fond of Messrs. Swan and Parrott's explanation of an obscure grammar rule.

Lavinia says

Oh boy, what's to like about a grammar book? :))

Miquixote says

As good as this is, Michael Swan's Practical English Usage is even better.

Aseel says

4th edition colorful and simple

Keo84 says

?ngilizce dil e?itimi alan ki?iler için oldukça yararl? bir eserdir. Tavsiyedir.

Mohamed Ibrahim says

Is best book of grammar
