## **Cinderella's Wedding Wish** Jessica Hart

*When a Plain Jane...*

Efficient, witty and prim Miranda Fairchild has always blended into the background - her two beautiful sisters have seen to that! But that hasn't stopped Miranda secretly dreaming of finding her fairy-tale prince....

*...Is Hired by a Charming Playboy...*

Dangerously charismatic, celebrity Rafe Knighton does not fit the bill. So when Miranda is hired as his assistant, she's shocked to learn that Rafe has hidden depths.

*...Can There Be a Happy Ever After?*

And there's more to Miranda than meets the eye - as Rafe knows all too well! Will he give this stubborn Cinderella the diamond ring she deserves?

# From Reader Review Cinderella's Wedding Wish for online ebook

## **Xenia says**

This book was very sweet. It was predictable and cliché but I enjoyed it never the less. I really liked the hero and heroine. It was a bit of a breathe of fresh that the heroine was not your cliché perfect drop dead gorgeous female that are in most romance books. Jessica Hart writes very nice romance stories that are easy and quick to read.

---

## **LLC says**

This was a re-read and I upgraded it from 3 stars to 4 stars. I really like this author. Her characters are generally very likeable and normal. In other words they aren't perfect and do some of the same stupid things that normal people do in relationships.

---

## **Tali says**

This is a pretty standard Mills and Boon story of a girl and her boss falling in love despite the odds, and yet there's a sweetness about it that I really liked. Yes, it's a little bit clichéd, but at the same time Hart manages to tell a story where you genuinely want the characters to have a happy ending, instead of being annoyed by their cluelessness when it comes to each other.

---

## **Pacific says**

This story was okay. It wasn't super creative and had predictable storyline.

---

## **Jules says**

This book started out a bit slow for me, but the middle really picked up. Loved the "ugly duckling" theme too. Very romantic.

---

## **Joana says**

**3 STARS**

Leído en Febrero 2013

Entretenido!!

---

**Lynn Spencer says**

I gave this a B- on All About Romance, so I'd give it 3.5 stars here. It travels down paths many romance readers have traveled before, but it's a very sweet book and I liked it. Here's what I wrote at AAR:

Though scoffed at by those who find it uncomfortably retro, the fantasy of being plucked from the crowd by the rich, handsome prince and transformed into a beautiful princess resonates with many. When everyday life is a bit too much of a struggle, it's hard to resist the allure of being swept away from it. This happens for Miranda Fairchild in **Cinderella's Wedding Wish** when she takes a temp job at the Knighton Group and catches the notice of CEO Rafe Knighton.

This is a partial review, and you can find the full text at All About Romance:

**Juuli says**

It was such a sweet story. I liked the characters. They were funny and didn't do anything too stupid.

---

**SuperWendy says**

This lacked the emotional gut-punch experience I've had with other Hart romances, but it's still a strong, pleasant read. Heroine trying to claw her way back after the family department store goes belly up on her

watch. She's working as a temp at the hero's family business and gets roped into helping him plan a gala and find a wife. He's trying to live down a playboy reputation, and now having "grown up," he figures it's time to settle down. Workplace romance meets fairy tale meets fake relationship all rolled into one.

---

### **Mnms says**

A sweet combination of a few classic plots, it's very well done and a good story all by itself. I like the characters, though Miranda occasionally comes off as a teenage fantasy. But overall I liked it.

---

### **Heather says**

I did quite like this story, pretty nice and an easy read.

---

### **Carla Wells says**

It was an "ok" book, but I felt like there were a lot of gaps in the story. I felt like it was missing entire parts of the story, that could have told so much more.

---

### **Melinda says**

I listened to this as an audio book. It was nice and charming and, although quite predictable - it was a lovely read. I enjoyed the characters - the feisty female lead and the smug and humourous male. A new twist on the usual Mills & Boon type romance.
