## **From Reader Review Life Application Study Bible, NASB for online ebook**

### **Jennifer Jarrell says**

I love this version!!!

---

### **Mollie says**

Read, currently-reading, and will continue to read. . . ;)

---

### **Mel says**

I actually read several different Bibles - NIV Life Application Study Bible, Amplified Bible (2 different ones) Thompson Chain (my 1st bible)and several others... :)

---

### **R.L. says**

This is a great Bible to have on your Kindle for using in church. The ability to move between books, find a verse, etc, is easy and as fast or faster than looking it up in a paper version.

---

### **Dawn Harrison says**

Life Changing

---

### **Sandra weston says**

What can I say? I love the Lord, and I love this translation!

---

### **Kelly Christensen says**

I prefer the NASB and also enjoy the Amplified translation but have all but stopped using the NIV. The Student Study NASB Bible was also excellent.

---

### **Karen says**

Read and did some listening to the entire NASB bible while I took OT and NT survey classes from Moody Bible institute. (Spring and Fall 2008)

---

### **Amanda says**

I started reading the bible in January 2012 as one of those bargains you shouldn't make with God. I had never read it all the way through and I've taken it very slow so I could absorb it but I'm left with more questions and challenges to my faith

. I guess that's the point. Anyways, I finally accomplished this task and it feels great.

---

### **Cheri says**

the endnotes are very helpful, and I love this translation of the bible, it's the most literally correct.

---

### **Katrina says**

There's not enough room to write what I learned and continue to learn from this book! Continuously reading it, especially now that I am in a bible class about the prophets, and learn more and more every day. :)

---

### **Andy says**

0011

---

### **Amber says**

Gods instructions for this life

---

### **Sara says**

I have used this for over ten years and it has been by far the BEST Bible version to use for reading, study and memorization.
